City Council News:

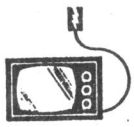

Planning Commission

On January 3rd, 1989, the council considered Planning Commission appointments. Three citizens requested appointment. Mark Chalupsky, Robin Kashuba and Sandee Haerden. Motion was made and carried with all ayes appointing Robin and Sandee to the Planning Commission for two year terms.

Steve Bergeson of Bergeson, Kerr, Lander and McDonald discussed the attorney agreement for 1989 on January third. North Star Risk who administers the insurance program had been contacted. Claims and coverage were discussed. Premium would be quite large and the firm would have to re-submit a proposal. Motion was made and carried with all ayes approving the agreement for 1989 city attorney services with Bergeson, Kerr, Lander and McDonald. A revised agreement will be submitted.

Cable T.V.

On January third Steve Stolen updated the council on cable TV in the city. Restoration of property will be completed in the spring. Homes not served on County Road # 40 were inquired about. Stolen stated that the area is being looked at for possible hook-up.

League of Minnesota Cities

Council was told on January third that a training session for Elected Officials would be held by the League of Minnesota Cities Conference. Mayor remarked that all council members should attend. Motion was made and carried with all ayes for councilmen to attend this conference. Motion was made but not carried due to legality of whether or not spouses accompanying should be paid by the city.

Subdivision Ordinance

On February 6th, the City Administrator updated the council on the status of the Subdivision Ordinance. Public Hearing was scheduled for February 22nd. Council was invited to attend this Public Hearing.

Office Remodeling

Plans for office expansion were presented on January third for review. Floor plans, costs and available funds were discussed. Concern was voiced regarding public reaction to spending. Money spent on the Carver-On-The-Minnesota Intrepetive Center was questioned. One plan involved office space on the second floor of the Village Hall, but that idea was dismissed. The council directed that more work be completed and a conference room as unnecessary.

Expansion/remodeling of city offices were discussed on January 17th. Three plans, one pertaining to upper level and two basement plans were presented. Heating alternatives were discussed. Motion was made and carried with all ayes approving office expansion plans in the lower level of the Village Hall, construction costs not to exceed $ 4,000.

On February sixth, two Lion representatives discussed approved office expansion project. Request was made to delay said work until they could research the issue and possibly come up with an alternative plan.

Lions proposed constructing an addition for office space. The Lions tentatively proposed leasing the hall at a rate to cover costs for an addition. Since the Village Hall is used for and by civic organizations, there was consern expressed over loss of available floor space with the proposed expansion. A proposal was made to take over administration and maintenance costs of the hall and help pay for an addition. There was hopes of funding an addition with the Lions reimbursing the city for the cost of the addition. Motion was made and carried allowing the Lions to proceed with plans and negotiations on the proposed addition and financing with the city.

Current needs of the city staff were discussed, as well as possibly rental of another building space. Motion was made and carried delaying further plans for the April meeting.

Building Permit

On February sixth citizen requested permit for construction of shed. Planning Commission recommended approval. Motion was made and carried approving the building permit.

Carver-on-the-Minnesota

Council was told on January 17th that Carver-On-The-Minnesota has extended invitation to council members to be members on their committee. Mayor Meyers remarked that councilmen should not be members due to possible conflict of interests as voting members.

City Administrator Report

City Administrator Spiotta reported on January 3rd that a January 17th special meeting would pertain to Water Rates Ordinance review, goals of the city, office expansion plans, sewer and water operator agreement and Maier Stewart items. The Celebrate Minnesota 1990 Grant Application has been forwarded. A joint meeting of the Planning Commission and the council to discuss drafted Subdivision Ordinance is scheduled for January 30th. Required sign for the Lawcon project has been completed and posted, as well as a directional sign to the boat launch. The Highway # 212 Concept Plan Committee has a general consensus of one plan.

On January 17th reminder was made regarding the purpose of this special meeting. Suggestion was submitted to schedule a special work session on February 13th to set '89 goals.

Administrator is scheduled to meet with Engineer Bullert regarding city maps on January 31st. Types and kinds of maps preferred, as well as costs were inquired about. Mayor related that this topic should be discussed at the goals work session.

Fire Department

On February 6th, Fire Chief Riesgraf discussed township fire rates with the council. Administrator recommended the city charge $ 45 per unit for 1990. Motion was made and carried to charge said fee to Dahlgren and San Francisco townships.

Riesgraf also reported that OSHA had completed their inspection of the Fire Department. Department was given ninety days to replace some boots, seat belts and move several electrical outlets.

Concern was also voiced regarding steep grade of driveway to a house being built. There was concern whether or not a fire truck could get up the driveway. Administrator reported that the driveway was not at final grade. Notification is to be sent regarding concern.

Lioness News

Remember the annual BullHead Feed/LasVegas Night is coming up on March 3rd, 1989, serving time to be at 4:00 PM until 8:00 PM. All you can eat! Tickets are available from Lioness. Also, you can purchase tickets from Monica at Monique's Boutique.

The Lioness also donated $ 100 to the newly organized Carver Girl Scout Troop. At the Lioness February meeting, cookies and coffee will be served to say thanks for the Lioness' donation.

Carver-on-the-Minnesota

Elections for Carver-On-The-Minnesota organization are scheduled for the March 16th meeting at 7:00 PM. The group is urging, as well as encouraging memberships. Meetings are open to the public and held the third Thursday of each month.

Glenda Spiotta was appointed Honorary Laison for the organization. Pam Larson has been appointed temporary secretary.

A Victorian Garden Party at Carver House Antiques was discussed and scheduled as a fundraiser for Sunday, June 11th from 5:00 PM to 8:00 PM. Dress in costume event. Tea sandwiches and wine will be served. The ticket to attend this gala will be $ 10.00.

Normandale students were in town taking photos. Carver-On-The-Minnesota will be taking photos for a historical outlay to be displayed at the Intrepretive Center in the near future for a comparison of the past and the future. They will also be making a survey of historical preservation to see what needs to be saved.

House tours were again discussed. Memberships were talked about. The membership dues are $ 10. per year. Carver Historic District books are available for purchase. These books can be purchased for $ 5.00 each and are available from the Carver House Antiques, The Fold, or the Carousel Rose Inn.

Lucy Hartley's "Carver History" books were discussed concerning reproduction with added chapters. However, funds to do this project are needed.

Rosamond Dols is talking with senior citizens regarding volunteer work and donation of any old photos for Carver-On-The-Minnesota.

Villager Tower

The Villager Tower apologizes for missing the January issue of 1989. As you may know, we have moved from our domain on Fourth Street in Carver which was the reason for the disruption in publication. The Villager Tower staff wants to continue publication of our local newsletter, even though your editor has relocated. The timeframe may be erratic, moreso than in the past, but we will all try our best to keep it coming monthly.

Disclaimer

The preliminary unapproved minutes from the City of Carver's council meetings were referenced to compose the Villager Tower.

Water and Sewer Improvements

On January 3rd, public hearing was held on the Sewer Use Ordinance. The PCA (Pollution Control Agency) recommended changes. Brian Miller representing Maier Stewart was present at the meeting.

The 'As-builts' of the water and sewer system were discussed. Frey listed the differences between the'as-builts' and the system construction. Miller stated that their insurance advised them not to erase on the plans, but to cross out and draw lines showing how the system was constructed. Tie sheets revisions were not put on the plans. City Administrator remarked that expectations were that the plans would show the system "As Built". The mayor expressed that the tie sheets should agree and requested when corrected drawings would be received. Bullert (McCombs, Frank, Roos and Associates) agreed that 'As-Builts' agree with tie sheets. Council directed Maier Stewart to change the blue prints to agree with the tie sheets.

Discussion was held on the Sewer Use Ordinance. Bergeson, attorney related changes desired in the ordinance wording. Council requested revision in writing. Motion was made and carried with all ayes continuing public hearing until next scheduled meeting.

The PCA reviewed the Sewer Rate Ordinance and the city's resolution setting sewer rates. The PCA does not support setting a minimum rate for sewer, requesting that the city rescind the ordinance and change the minimum and effective date. A Public Hearing would be necessary to change the ordinance. Motion was made and carried with all ayes scheduling a Public Hearing on February sixth

Residents who have not connected to the municipal utilities were discussed. Half of these people contacted had responded and/or confirmed hook-up or made arrangements to do so. Councilman Hunte remarked that the city should stand firm on this issue. Mayor requested that a follow-up letter be sent to County Attorney Fahey requesting him to contact the remainder of residents who have not complied with hook-up ordinance. Motion was made and carried with all ayes to forward said letter.

City Administrator forwarded a letter to the Carver-On-The-Minnesota cancelling deferment for connection to sewer and water because the Intrepretive Center is being used. The organization requested that connection be done in spring due to additional expenses of winter work. Motion was made and carried with all ayes granting an extension, allowing connection to occur in spring.

Sewer and Water Operator Agreement for '89 was tabled until the January 17th special meeting.

On January seventeenth, the Sewer/Water Operator's Agreement was discussed. Bergeson, attorney questioned the renewal clause in Dauwalter's agreement. Amendment or omission should be done, as it did not serve the purpose which was intended. Amendments were made to the agreement. Motion was made and carried with all ayes approving the agreement for Sewer/Water Operator with Dauwalter Plumbing as amended.

Maier Stewart was unable to be at the January 17th meeting. The evaluation report has not been submitted to the PCA due to the issue of odor problems to be resolved. Motion was made and carried with all ayes tabling the sewer/water project items consisting of an evaluation report and the Public Hearing on the Sewer Use Ordinance until the February sixth meeting.

City Administrator reported that Maier Stewart agreed to show septic tanks "properly placed" on the graphics, but will not remove lines indicating plan changes. Administrator recommended approval to compromise in order that the city can receive grant funds before short term bonds are due. Mayor related that it is necessary that the "as-builts" are correctly done or this will haunt the city forever.

Mayor and Bullert, engineer have researched the topic of 'as-builts'; these were not done in similar manner. Further research will be completed on proper forms of "As-Builts".

Polston of Munitech stated that the water pipes are PVC and if the 'as-builts' are not accurate it could cause serious problems.

City Administrator requested direction to proceed. Polston suggested arbitration, however, attorney related that it may be too expensive. Mayor Meyers stated that the tie sheets should also be redone to scale and not field drawings.

Hydro Engineering requested $ 5,000 payment witheld of which $ 2,500 was designated for trees at the pond site. Councilmen Thuening stated that the total amount be retained to ensure that sidewalk work is completed properly. Motion was made and carried with all ayes tabling discussion until the May meeting.

Polston, Munitech gave an exit report on the water and sewer system. Shutting down of the aerators at the ponds caused a reduction in kilowatt usage. Test reports were acceptable by the PCA The flow meters had not frozen this winter.

The Public Hearing on the water ordinance was opened.

Several complaints were received regarding rusty water in January. One particular incident was caused by a Fire Department drill and use of a hydrant that stirred up rust settled in the lines Photos were introduced showing discoloration. Request was made to the Fire Department to inform city personnell when hydrants will be used so that notice can be posted and appropriate people informed.

A transition meeting is scheduled for January thirtieth between Polston, Munitech, Dauwalter Plumbing, the City Administrator and the Public Works Director Frey.

City Administrator related purpose for Public Hearing on Water Ordinance. Water rates were set suggesting that these rates be removed from the ordinance and established in a resolution instead Motion was made and carried with all ayes, tabling discussion on the water rate resolution and continue the Public Hearing on ordinance until the February sixth meeting.

On February 6th the council discussed complaints received regarding water and settlement of utility bill. Not desiring to set a precedent, the council did not want to make any concessions on fees System design in the area was discussed. Frey stated similar problems are experienced throughout the system occassionaly. Administrator recommended that the meter deposit be applied to the outstanding bill. Motion was made and carried with two ayes, one abstain and one nay to accept the meter deposit as full payment for the water bill.

Administrator told the council that MPCA (Minnesota Pollution Control Agency) requires retesting of sand filtering system at pond site. Testing with water was not adequate. Testing can not be done until May which will delay receiving of grant funds. City engineer Bullert volunteered to contact the MPCA. Administrator is to contact Maier Stewart.

Water and Sewer Improvements Continued

Public Hearing on Sewer Use Ordinance continued. Administrator requested that the ordinance not be approved since the MPCA had not submitted their final recommendations. Motion was made and carried with all ayes and one absent to continue the Public Hearing.

A letter from Vessco on replacement of the pump at the well noted improper installation causing stress on the pump. Administrator was directed to contact Maier Stewart and question their intentions to correct problem.

HAPPY ST. PAT'S DAY!

The Public Hearing regarding the Water Charge Ordinance was continued. Motion was made and carried to close the Public Hearing. Motion was made and carried approving water charges as amended. These amendments involved removal of charges from the ordinance, setting them by resolution and changing the due date of water bills from the fifteenth of the month to the thirtieth of the month, making it consistant with the sewer rate ordinance.

Proposed rates for resolution were discussed and reviewed. Motion was made and carried setting water rate at $ 2.70 per $ 1,000 gallons of water used.

Dauwalter reported that the gauge at the water tower had frozen. There was a problem with a meter at the pond site. There was further discussion.

A gas detector is necessary. The Fire Department also expressed interest in a detector. Motion was made and carried to purchase a gas detector.

Public Hearing on sewer rate ordinance was extended to the March meeting.

Public Works Director requested approval for the purchase of a metal detector to locate water stops. Motion was made and carried authorizing purchase.

Miscellaneous

Citizen approached the council on January third requesting contact be made to Dial-A-Ride requesting service in Carver. Mayor Meyers related that the entire metro area is normally served by MTC, but Chaska, Chanhassen and Eden Prairie opted out of that service forming a new bus service. A meeting for that new service would occur at the Chaska City Hall on January 26th. Questions were to be directed at that meeting.

Motion was made and carried with all ayes electing Councilmen Ralph Hanson as acting mayor.

Motion was made and carried with roll call vote of all ayes adopting Resolution making council appointments for 1989.

Motion was made and carried with all ayes accepting an agreement for Garbage Collection on city property with Mark's Sanitation for 1989 with an additional thirty day cancellation clause.

Frey reported that letters regarding abondoned vehicles or junk will be forwarded.

Motion was made and carried with all ayes adopting resolution which designates the Post Office Bulletin board as the city's official bulletin board.

Contract rates for fire protection in 1990 for the townships will have to be figured by the townships' March meeting.

Question was asked whether or not the city received further information on flood plain regulations. Administrator related she'd gotten the information but wanted to put together an informational packet.

Council was told on January 17th that The Eastern Carver County Comprehensive Transportation Technical Committee has scheduled its first advisory meeting. Carver's contact individual was asked about. Consensus preferred that the Administrator continue representing the City of Carver.

Carver/Scott United Cable tv is being sold. Stolen will update the council.

Motion was made and carried with all ayes approving a non-intoxicating malt liquor license for Carver firefighters.

Black Sox requested use of the Village Hall for a fundraiser on April 1st. Motion was made and carried with all ayes approving use and non-intoxicating malt liquor license for Black Sox.

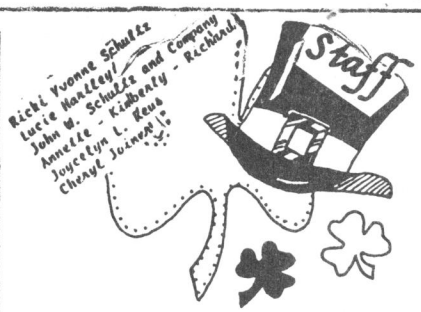

Snow removal on sidewalks was inquired about. An ordinance regarding the issue is on the book Notice has been published and posted. Letters will be sent to property owners who fail to remove snow.

The Heritage Commission Ordinance has been adopted by the council, however it was not ever published. The Planning Commission recommended that the ordinance be published. This issue is to be scheduled on the February sixth agenda.

Council has to meet with Dahlgren and San Francisco Townships to set 1990 Fire Protection Rate Request was made to have information and/or proposals for rates prepared by the February 6th meeting.

On February 6th, the mayor requested someone speak to the council on Robert's Rules of Order. Planning Commission recommended publication of Heritage Commission Preservation Ordinance. Motion was made and carried with all ayes authorizing publication of summary version of ordinance.

Council discussed letter received from the Carver County's Sheriff's Department regarding a meeting to discuss services of the department. Motion was made and carried to have the mayor attend this meeting.
