Villager Tower

Sixth Street

City Engineer informed the council on September 3rd that work is complete on the Sixth Street project. He recommended approval for final payment to F.F. Jedlicki. The project went over bid cost by $ 286.95 because of added rip-rap. Council was informed that Frey had done an excellent job supervising the project. Motion was made and carried to approve pay request.

1992 Police Contract

Discussion was held regarding the use of a Community Services Officer. Administrator inquired whether or not the City of Chaska has ever been contacted about animal patrol and police services for the City of Carver. Motion was made and carried to table the 1992 Police Contract.

Central Business District Rehabilitation Loan

Administrator discussed the revised program with the council for loans. Loans could be available to any business in the city. Amounts and durations would be at the discretion of the city.

Discussion was held regarding advertising for the available funds. Notice of the program will be posted and maybe it would be possible to get a story in the Herald. Interest rates were also discussed. Motion was made and amended but did not carry to set interest rates. Motion was made and carried approving revised loan program with interest to be determined by the count, but not at more than 2 % below prime rate.

Public Works Report

Parking on Fourth Street on the hill had been discussed at the Planning Commission meeting regarding posting it for parking only on one side during the winter. Frey's opinion was that this hill was only slippery during spring thawing and freezing. Council consensus was to not restrict parking to one side during the winter.

The Lioness Club requested an additional power source be added for SteamBoat Days. Frey was directed to get costs and report back to the council.

Request for stop signs at Third and Ash Streets were discussed. Situation had been checked and cars were not exceeding the speed limit.

Further discussion was held about this area inquiring about "Slow-Children" signs being erected due to poor visibility. Motion was made and carried to erect stop signs at Third and Ash Streets. Motion was also made and carried to erect slow-children signs in the same area.

Nuisance Ordinance

Letters have been sent regarding abandoned vehicles or other similar violations. Admininistrator plans to do as prescribed by ordinance to correct situation, if there is non-compliance after the initial letter.

Discussion was held regarding the property at Lime Street and County Road # 40. The area has been cleaned up, but there are vehicles that still remain. Motion was made and carried to allow owner to attempt to sell vehicles during Steam-Boat Days, but the area must be cleaned up by the following weekend.

Road Development

Motion was made and carried by roll call vote adopting resolution supporting the Southwest Corridor Transportation Coalition in their efforts to develop the area's transportation system.

Village Hall Fee Schedule

Administrator recommended increases in some of the fees charged for rental. He also recommended that Community Services and the Scott/Carver Learning Cooperative be charged a minimum fee to defray electrical and heating charges. Motion was made and carried approving revised Village Hall Fee Schedule .

Carver Fire Relief

Two representatives from the Carver Fire Relief Association were present with a schedule of liability for current personnel. Clarification was made that firemen who retire after twenty years of service will have their pensions frozen and do not get any increased benefits from the city.

Motion was made to increase Fire Department personnel's annual pension benefits from $ 450 to $ 500 per year of service, but this motion failed to pass.

Carver-on-the-Minnesota

Carver-On-The-Minnesota is proud to announce that the stained glass window on the east side of the Church-By-The-River has been restored and repaired. There are plans for a formal ceremony to be held in October for the window restoration project.

The groups next project involves the Holiday House Tours and Craft Show. Plans are in progress. The date for this event will be December 15th. More information to follow in next month's issue.

SteamBoat Days went well for the organization and the Ice Cream Social was a success.

Barb and Craig Hanson will be hosting the group for the next meeting on October on the 17th at 7:00 PM. Everyone is welcome to attend.

Miscellaneous

Motion was made and carried on September third to appoint Cindy Monroe to the Historic Preservation Commission and establish a procedure for future appointments.

Motion was made and carried by roll call vote adopting resolution approving the sale of Pull-tabs by the Lions Club at the Dog House Bar, Harvey's Bar, O'Reagans Pub and the Community Hall.

Administrator informed the council that many communities record their meetings, inquiring if the council was interested in this. Consensus was that they preferred not to record meetings.

The Lawcon Grant has been completed and submitted to the state.

The HRA has moved into the basement office of the Village Hall with rent set at $ 150 per month.

Carver Lioness

The Carver Lioness will be hosting their Annual Costume Halloween Party for all children from 5th grade age and younger on Saturday, October 26th from 5:00 PM to 7:00 PM.

There will be games, treats, prizes and lots and lots of fun. There will be drawings for all the kids in costume. A donation of $ 1, plus one non-perishable food item per child will be collected at the door.

All the funds from this event will be matched by the Lioness and then donated to the Southern Valley Alliance for Battered Women. Non-perishable food will be donated to the Scott-Carver Food Shelf.

Anyone wishing to volunteer as a game host/hostess is urged to contact Chairperson Cheryl Peterson, 448-4857. We would greatly appreciate any and all help for this fun event for our community youth.

Women Business Owners Organization

by: Dr. Carrie Ross

This is an informal group of women that have their own business or help run a family business. We meet the second Tuesday of each month for dinner. Following dinner, there is usually a presentation. The meetings promote networking, the sharing of ideas, support and fellowship.

The Guest Speaker for the October 8th meeting is: Mark Peabody. He is a district representative with the National Federation of Independent Business Owners, (N.F.I.B.) He will talk about State and Federal Business legislation, in particular, how these legislative issues could affect the small business owner. Dinner at 6:00 Pm, at the Chaska Mill Eatery Restaurant. The lecture will be at 7:00 PM.

The November 12th meeting guest speaker is: Nancy Lenhardt. She is a Home Economist from the U of M Extension Service, Carver County. She will discuss Balancing Work With Family. All are welcome! Dinner at 6:00 PM; Lecture at 7:00 PM at Butch's Restaurant.

For more information or to RSVP (helpful, but not necessary.) Contact: Dr. Carrie Ross, 448-2722.

Happy Birthday Annette
