Volume IX

November/December 1991

Number #ninety-four

Villager Tower

Snow Ordinance

Frey informed the council on November 4th that he'd hired Mueller's to haul snow from the magnanimous suprise 1991 snowstorm.

He had also warned citizens about throwing or shoveling snow onto public streets or plowing snow from private property across public streets. There is a state law regarding the legality of such an act. Parking on streets is allowed after snow has been plowed from streets to the curb. Some citizens had problems getting cars off of streets due to limited space, but this involved only a few individuals.

Resident requested reconsideration of ticketed vehicle during unexpected storm due to extreme circumstances.

Councilman requested discussion of tickets issued to snowbirds during the megastorm. Administrator expressed concerns that if tickets were annulled, then cars that were towed may have been done so illegally.

Motion was made and carried with all ayes to have administrator research issue of having snowbird tickets issued on November 4th be waived.

Suggestion was made regarding problems with parking during snow falls that an area be plowed first and designated for parking until their street is plowed and parking by homes can be resumed.

Budget 1992

Mayor informed the council of the overall increase in the budget from 1991 which is eight percent (8 %). The final levy amount proposed is $ 225,434 or 4.6 % increase. Motion was made and carried with all ayes to make Administration "Planning" a carry over line with remaining budget transferred to a special fund at the end of the year. Motion was made and carried with all ayes tabling further discussion on the budget.

Salaries

Administrator discussed staff salaries with the council. A seven percent (7 %) increase was recommended for both, City Clerk and Public Works Director. There would not be a budget increase because clerk has not been putting in the overtime as previously. Administrator requested a one percent (1 %) increase. Motion was made and carried with all ayes accepting recommendations for salary increases as of January 1st, 1992.

Community Service Officer

Carver County Sheriff's representative was present at the meeting inquiring about items for department. Councilman asked about Community Service Officer proposal. There would not be any definate plans until mid-December. Deputy was directed to inform Sheriff that the City of Carver has budgeted two hours a week for a Community Service Officer in 1992. Frey asked that the patroling time be more in the evenings.

Municipal Utilities

Municipal Utilities Operator told the council that the alarm system installation had been started but snow halted completion. Project will continue when snow is removed.

Operator spoke with the phone company who quoted a monthly rate that was double the amount of original quotation.

Rusty water problems have worsened at a home on Mt Hope Road. Operator's opinion is that the tower does flex during high winds and rust is chipping off causing the water to become rustier. Other citizens were asked about their water. Each had agreed that their private wells had been better than the city's.

Odor problems have returned with the cooler wearher to plaque Carver. Some of the problem is attributed to the fact that tanks are filling up and there is less operating room in the tanks.

Happy Hanukkah

Right-of-Way Agreement

Citizen voiced complaint regarding dog kennel and was of the opinion that he should have been informed of neighbor building this kennel prior to its construction.

Administrator drafted an agreement between the city and citizen allowing dog kennel to remain on Jorgenson Street until such time that the city deems that the street right-of-way is necessary.

Councilman questioned citizen's complaint regarding the kennel and whether the agreement should be approved without hearing complaint presented. It was pointed out that the issue was not a Public Hearing. Citizen stated that the kennel is constructed so it overlooks his property and the dog barks whenever resident goes into his back yard. Frey suggested erecting a fence.

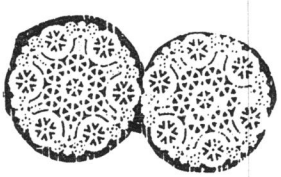

Motion was made and carried with four ayes and one abstention to sign the agreement with an added stipulation that a fence be erected by the kennel.

Administrator was directed to draft recommendations on preventing structures from being constructed on the City's Right-of-Way or easements in the future.

Building Permit Procedures

Administrator recommended that legal action not be taken at this point in time against developer. Suggestion was presented to forward a letter of reprimand for actions taken regarding the property on Fourth Street. Suggestion was also made to incorporate changes in the building permit procedures.

Mayor stated that Administrator should forward said letter. Motion was made and carried with four ayes and one abstention to dispense with the Traxler issue.

Snow Ordinance

Reminder:

The Carver City Council prohibits the parking of any vehicle or other object on public streets or alleys at anytime that two inches (2") or more of snow has accumulated on any public street or alley, whether the accumulation is due to new fallen snow or the drifting or blowing of snow from previous snowfalls. It shall be unlawful to park any vehicle, car, truck, van, bus, trailer, camper, (whether motorized or not), wagon, motorcycle, bicycle, snowmobile, or other object or piece of equipment on any public street or alley until public snow removal activities have been completed on that street or alley.

Miscellaneous

Mayor inquired about the status of address changes from Chaska to Carver. Administrator told the council that a meeting is scheduled with Postmasters of both cities to discuss areas to be changed.

Letter had been received from Youth Commission requesting one youth and one adult representative be appointed for commission.

Councilman suggested that the Park and Recreation Board approach the VFW and/or American Legion in Chaska for donations for proposed park.

Tentative Agenda

Submitted by the City of Carver

December 2nd, 1991
Monday evening - 6:30 PM

Public Hearing Budget 1992

Anyone interested is invited to attend and comment at the December 2nd Council Meeting. The Public Hearing regarding the 1992 budget will start at 7:00 PM. Written comments can be sent to the Village Hall. A copy of the budget is available from the City Clerk during regular business hours.

Carver Lioness

A great time was had by all who participated in the Lioness'es Halloween Party. Thank you to everyone especially to all the volunteers who without their help and generosity this party would not have been the smashing success that it was. One hundred and eight-five (185) pounds of food was collected at the door. This food was donated to the Scott-Carver Food Shelf. One Hundred and Seventy-Nine dollars ($ 179.) was collected in admissions. Admission monies, plus a matching amount are being donated to Southern Valley Alliance for Battered Women In Memory of MaryAnn and Jodi Johnson.

The Lionesses also donated $ 100 towards the After Game Drug Free Football Party.

An appreciation dinner will be hosted by the Carver Lioness in January.

Carver Lions

The Lions Poultry Dinner was scheduled for November 22nd.

The Lions' District Governor and his wife attended the November 20th meeting.

The Lions donated $ 200 to the After Game Drug Free Football Party. For the Lions International Food Day, the Carver Lions donated $ 100 to the Scott-Carver Food Shelf.

Carver-on-the-Minnesota

Carver-On-The-Minnesota and Minnesota Humanities Commission presented "Sacred Spaces in Minnesota" display Saturday, November 16th. The slide presentation showing many historic churches, as well as Native American places of worship was extremely interesting. There should have been a much larger audience.

The group is still soliciting crafters for their boutique scheduled in December. Interested participants may contact Pam Larson, 448-7127 or Barb Hanson, 448-2853.

Holiday House Tours and Craft Sale

Carver-On-The Minnesota once again proudly presents their Holiday House Tours and Craft Sale on December 15th, Sunday, from 1:00 PM to 5:00 PM. Boutique displays will be in the Village Hall. Historic homes scheduled for the tour are those of Glen and Robyn Kashuba, Randy and Cindy Monroe, Pam and Peter Larson, Barb and Craig Hanson, plus more. Don't miss this!

Fire Hydrants

Now we all know what happens when it snows, right? Sure we do. The kids' toys that didn't get picked up are lost until six months later. Those mittens that the children were supposed to bring in, gone, covered by that white stuff we all love so much (tsk-tsk). The dog's favorite bone swallowed up. Disappeared too are other all-of-a-sudden important items we can no longer get anywhere near until the blanket is lifted months down the road. Well, a fire hydrant can disappear in the same way. Think about it...What if your house or the neighbors' houses needed water and the firemen couldn't get to this hydrant buried beneath this white stuff. If we wait, it will be too late. Do your local Fire Department a favor, as well as yourselves. When the snow comes and you are near a hydrant which could save someone's life or home or precious momentoes dig that hydrant out from under that wonderful blanket so if the urgency arises, it's ready and available to save a life. It may be your-own...

Thanks.

Carver Fire Department Chief
Ron Riesgraf

Disclaimer

The preliminary unapproved minutes from the City of Carver's council meetings were referenced to compose the Villager Tower.

"Always Wanted to be a Fireman?"

The Carver Fire Department is searching for new firemen. There are openings available on the Carver Department. Always wanted to be a fireman?
