Village Tower

Carver County Sheriff

On February 3rd, the council asked questions of Mr Wallin, Carver County Sheriff regarding specifics of officers while on duty in the City of Carver. Mayor requested that the squad car drive on side streets more.

Inquiry was made on the status of the Ordinance Enforcement Officer Program. Response was given that there were not enough hours pledged; however the program is not forfeited.

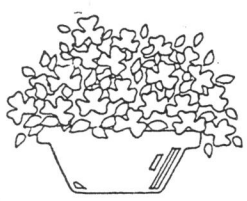

County Road #147

The Carver County Engineer presented a brief history of proposed County Road # 147. Truck traffic through the city has been recognized to be heavy. County Road # 40 from Lime Street to Highway # 212 needs strengthening and this will be done during the upcoming summer.

The first phase of construction for County Road # 147 is planned from Sixth Street to Highway # 212. Future plans involve Sixth Street to County Road # 40. Presentation of alternative proposed routes were presented. Comment was made that most likely Fourth Street would be a major intersection with proposed County Road # 147. Recommendation was presented that the end of County Road # 147 be eliminated as so no access to Highway # 212 be permitted. Statement was made that maintenance of County Road # 147 could be costly. Motion was made and carried to schedule Public Hearing discussing future of County Road # 147. Chairman from Dahlgren Township inquired about cost of proposed County Road # 147. Formula being discussed was explained. Motion was made and carried to table further discussion until after the Public Hearing.

Engineer suggested that Carver County be asked to utilize funds connecting old and new County Road # 147 on the southern portion if connection of two roads was not desired.

Township Fire Contract Rates - 1993

Administrator told council of his research into Fire Department costs pertaining to city versus township share. Determination was made that city cost is $ 155 to $ 165 per unit. Township rates are paying $ 65 per unit. City's cost will decline, but township costs will increase. Department's budget was discussed. Motion was made, but failed to set township fire rates at $ 67.50. Motion was made and carried to raise township rates for 1993 to $ 70 per unit.

Public Works Report

Frey reported that doors at the Fire Station have been installed. Administrator was directed to forward letter to the Department that use of an automatic garage door opener without quick safety return cannot be used on commercial building.

Frey also informed the council that students utilizing gym have caused damage beyond normal use. Administrator recommended a meeting with those in charge of the program. If agreement can be reached, one more chance would be given. Administrator was directed to send letter to the group. Motion was made and carried suspending use until the next meeting and in order to continue the program, the group was to meet with the council.

Municipal Utilities

Motion was made and carried removing municipal utilities ordinance amendments from the table. Administrator proposed two amendments for consideration. Motion was made and carried by roll call vote adopting amendments pertaining to water charges.

Operator updated the council that he has not gotten a response from the individual drawing building plans for water filtration plant.

Debt Service

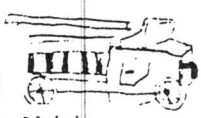

Final payment has been made on the 1972 Fire Station Bonds. Excess funds remain. Suggestions were submitted regarding where to put these excess funds. Motion was made and carried to transfer excess funds into the General Reserve Fund.

Personnel Policy

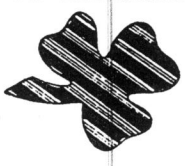

A sample Personnel Ordinance was presented for the council's review. Request was made that a comparison be made between the old and proposed policy. Issue was tabled by motion.

Fire Department

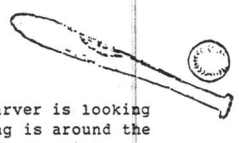

Request had been made for the Administrator to review the Fire Department By-laws and the compliance to these. Administrator suggested changes to the by-laws and changes be made to the city ordinance. He recommended amendment to the ordinance regarding the Chief being appointed. Councilman suggested a special meeting with a Public Hearing to discuss proposed changes. Motion was made and carried to schedule a Public Hearing at the March meeting to discuss Fire Department Ordinance. Administrator was directed to research both, Fire Department and Fire Relief by-laws.
