Number # One Hundred Thirty Eight

Villager Tower

Municipal Utilities

Operator had informed the council of concern regarding rate that the well was pumping. Motor was tested and could be used for filler plant. Repairs could be made for an estimated $3349, plus tax. These repairs could be paid for by the Water Department. Motion was made and carried to upgrade pump.

Recommendation was submitted putting water main extension stubs under Town Line Road during construction since later this would be a much greater expense.

Quotes were reviewed for filtration plant roof and overhead doors. Motion was made and carried approving lowest bids for work on filtration plant from appropriate funds. Lions approved club paying for most building improvements.

Painting of the water tower was not budgeted to be done this year.

Discussion was held regarding pumping of septic tanks. Pumping tanks should continue as time permits.

PCA (Pollution Control Agency) suggested that the council review report for '95 Annual Evaluation and Planning System. Council was told that the city's treatment facility was not in the danger zone.

Budget

Council set date for Truth in Taxation meeting on November 29 by motion. The Debt Service levy amount will have to be increased. Council considered budget cutting. Council also discussed monies being set aside for Public Works Building.

Loader Quotes

Council discussed quotes for a used loader It's in good shape and the price is good. The equipment should last for five years. Motion was made and carried to purchase the used loader.

Sixth Street

Public Hearing was held for reassessment on Sixth Street. There was an objection to reassessment.

Citizen was present to discuss driveway problems with erosion. Attempts to define project or private related were being determined. Property is being damaged by erosion because of storm damage. One party was of the opinion that damage was caused by water run off of a building. Another party was of the opinion that damage was done by use of inappropriate materials. After further discussion decision was made that area would be sloped close to original slope.

Deputy told council that signs are posted on Sixth Street and tickets have been issued. Clarification was given that extra hours of patrol would cost $25/per hour.

Nuisance Ordinance

Public Hearing was held for Nuisance Ordinance. Several changes were made to drafted ordinance. Motion was made and carried adopting amended ordinance.

Yellowstone Raccoons 4-H Club

Members are preparing for registration. Six members and two leaders won at the county fair with one or more Grand Championship Ribbons. Thus far, one Blue Ribbon at State Fair. Members are planning HayRide for their Halloween Party. Election of officers is upcoming.

Carver-on-the-Minnesota

NOTICE: Carver-On-The-Minnesota scheduled to meet on October 19th, Thursday at Barb Swanson's residence at 7:00 PM.

Carver Bluffs

Council reviewed the addendum to the Developer's Agreement for Carver Bluffs. Motion was made and carried approving addendum to Carver Bluffs Developer's Agreement. Engineer recommended that the Letter of Credit not be reduced until after 10" watermain is installed.

Council discussed weeds in area and desired that these be cut prior to winter. Public Works Director was of the opinion that evergreen trees planted along Carver Bluff Parkway will act as a snowfence and hold the snow on road.

Eagle Ridge Addition

Council considered final plat approval. Administrator recommended not approving final plat without Developer's Agreement. Developer was anxious to start work on second phase of subdivision. Council considered scheduling special meeting for addition and issue.

Caboose Purchase

A caboose for purchase had been located. Cost of moving caboose was estimated to cost approximately $2500 to $3500.

Community Park

Park and Recreation Board reviewed plans and quotes for the tot lot at Community Park. Funds had been set aside for playground. Permission was requested for the board to approve ordering the equipment if satisfied with plans and equipment. Council consensus was that the board be given that authority.

Miscellaneous

Quotes had been received for replacement of windows and doors in the Village Hall. It was council consensus to have the Heritage Preservation Commission review plans prior to approval.

Logos for city vehicles was discussed. Motion was made and carried authorizing ordering sets of logos for city vehicles. page five

Council reviewed sanitation quotes received. Motion was made and carried accepting quotes from AW Sanitation for city property.

Motion was made and carried by roll call vote adopting resolution accepting '96 Police Contract with Carver County.

Council member requested a list be drafted for organizations and individuals who had donated to the Downtown Park for a proposed plaque.
