July/August/September 1996

Village Tower

Miscellaneous

Council held a special meeting to review ordinances for recodification.

Council discussed exteriors of the Village Hall and the Gazebo in the park area. Heritage Preservation Commission and Carver Lions are discussing the Gazebo. Council consensus was that it should be painted as originally agreed to by all parties involved in the project.

Council discussed weight restriction on city streets. Letters are to be sent regarding weight restrictions.

Motion was made and carried adopting a telecommunications ordinance for review.

There are problems with the surface on Sixth Street and a letter is to be sent to the construction company activating warranty. Core samples were taken on Sixth Street. Recommendation for legal counsel was given to the council.

Samples were taken and tested by MN DOT from Sixth Street and met specifications. Sealcoating may be necessary next spring if damage worsens.

Council was informed that extra patrol has been scheduled and the city will be charged regular contract rate for services.

Motions were made and carried scheduling a Public Hearing for revised Heritage Preservation Commission Ordinance.

The Heritage Preservation Commission is working on a Carver calendar that could possibly be sold during SteamBoat Days to help with water tower fundraiser. The calendar would have historic local pictures presented.

Council reviewed fundraising efforts for Rail Road tower. Council was asked to help work booth during SteamBoat Days. Motion was made and carried authorizing monies for prizes for Heritage Preservation Commission booth.

Miscellaneous continued -

Administrator proposed joint study to analyze the impact of development and growth on Eastern Carver County property tax rates. Motion was made and carried contributing $ 150 towards study and participation. Council member Monroe will be the liaison.

County Commissioner and Soil/Water Conservation District representative discussed the Carver Creek WaterShed Management Organization. Motion was made and carried signing joint powers agreement for a year with WaterShed Management Organization. Administrator gave some background and said that the organization later may be discontinued.

Council reviewed Lions Club donations since 1986 showing benefits.

Pillsbury donated playground equipment.

Walking path in Eagle Ridge was discussed, as well as the tot lot. This project is going to be completed this year.

Minnesota Valley National Wildlife Refuge held meeting regarding plans for Mittlested property.

Council discussed use of electronic speed readout sign from Chaska Police Department.

Recommendation was submitted to approve Conditional Use Permit to raise part of the dike. Motion was made and carried adopting resolution approving Conditional Use Permit.

Motion was made and carried to appoint Tim Gieseke to the Planning Commission.

Motion was made and carried adopting resolution appointing election judges.

Hickory Street

Resident inquired about vacating a small portion of Hickory Street by the dike. There are utility lines in area and the city should retain easements for the full width of the street. Area currently is being used for parking and access to the dike by unauthorized personnel. Posting of signs was discussed as an alternative. Council did not have objections to vacation as long as easements were retained.

Proposed Gas Station

Council discussed proposed gas station site and purchase of some of the city's property by the rail road tower. It was the consensus that this area should be staked. Councilmember was in favor of continuing negotiations. Any expense regarding the issue should be the burden of developer was the council's opinion. Motion was made and carried scheduling a Public Hearing to review development of Tax Increment Finance district for property.

Municipal Utilities

Municipal Utilities Operator requested estimate for updating former water tower well for usefulness in an emergency and use as backup for the city well.

Council was informed that a new flow meter is needed at the treatment plant since it is giving false readings and is necessary in accounting for and planning for city's growth. Motion was made and carried for operator to consult with engineer and purchase necessary meter.

Motion was made and carried adopting septic tank ordinance.

Council discussed large usage of water and delay in flushing system. There was fear of draining the water tower. Designated watering days of lawns for next year was discussed by the council.

Report was given on septic tank pumping. Request was made to pump balance of tanks ove budgeted amount. Authorization was given to pump balance of tanks.

Waste Water Plan

A quarterly report is required when building permits are issued in Carver Bluffs. There are odor problems in Hilltop Estates. Bonestroo invited to the meeting to discuss treatment plant expansion.

Industrial Zone Ordinance

Council discussed Industrial Zone Ordinance at Public Hearing. Motion was made and carried adopting amended Industrial Zone Regulations.

Carver Bluffs

Council discussed easement being given to property owner as a second access to his property from Carver Bluffs. Easement could be also granted to the general public and eventually incorporated into the city's walking path system. A gate would be necessary to prevent motorized vehicles access.

Park and Recreation Board representative discussed problems with design of fields in Carver Bluffs. Motion was made and carried to correct design problems with ballfield in Carver Bluffs.

Park and Recreation Board discussed completion of work at Carver Bluffs Park, but there is a slight difference of opinion on the design.

Public Works Report

Council was informed that the Community Park is completed.

It was requested that the lights on the dike be removed since they are being shot out as fast as repaired. City is paying the bill whether they are working or not. In case of flooding, however, poles should be left on site.

Vandalism was reported occurring at River-Side Park and City Hall

Reference was made to the sergeants report regarding vandalism and it was the city employee's opinion that trying to maintain the Riverside Park was a losing battle. Perhaps the time to remove stands at Riverside Park had come. The issue was to be discussed with the Park and Recreation Board. New gates are needed to Riverside park due to destruction by rocks.

Fan Housing at city hall was replaced and vandalized the same day.

Spring Creek erosion was discussed with the Soil/Water Conservation District. An engineer will view erosion.

Hilltop Estates Addition

Lower Minnesota River WaterShed District expressed concerns regarding ponds by Hilltop Estates Phase II and 1994 Improvement Project did not negate work completed in 1990/1991 in which the city had received grant monies. Project was reviewed and report drafted.

Developer's agreement was discussed. Council was asked to consider an alternative to Letter of Credit Council preferred to remain with Letter of Credit.

Consideration was given to an ordinance for septic tanks and sewer facilities. Sump pump section was removed from ordinance. Water pressure was discussed.

Mount Hope Cemetery

Cemetery has been turned over to the city. Restoration has been started and Mt Hope Improvement Leaque would like to discuss continued restoration.

Council scheduled Public Hearing for Cemetery Ordinance.

Council Member Vacancy

Two residents applied for council vacancy. Council interviewed the two applicants. Ms Nancy Mulhern has resided in Carver for approximately four years. She is a member of the Heritage Preservation Commission. She is also an engineer working in Research and Development. Mr Tim Gieseke has resided in Carver approximately nine months. He works for the Soil/Water Conservation District. Motion was made and carried nominating Ms Mulhern for vacant council position. Appointed councilmember Mulhern took the oath of office.

1997 Budget Development

Significant changes have occurred due to computerizing to bookkeeping. Council reviewed Capitol Improvements Projects. Other budget issues were discussed.

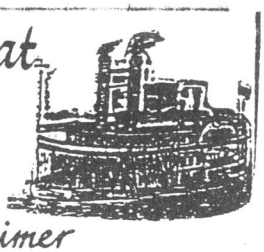

Highway #212

Council was informed that Highway #212 project is about to begin in Eden Prairie. City could utilize dirt which will be transported due to the project. Interest in obtaining dirt will be relayed to authorized personnel.

Council discussed attending meetings with county and use of TownLine Road, status of County Road #147 and utilization of Highway dirt. Conditional Use Permit would be necessary. Motion was made and carried to conduct work on dike and ballfield and obtain a Conditional Use Permit. Timing was also reviewed.

TownLine Road has been paved and is being used for truck traffic only. Old County Road #147 has been closed. An agreement with Mueller's was presented for review. Motion was made and carried approving agreement.

Steamboat Days

Disclaimer

The preliminary unapproved minutes from the City of Carver's council meetings were referenced to compose the Villager Tower.

Driveway Dispute

Citizen discussed driveway problems at Lime Street and vacated Fifth Street East. Responsibility of unresolved issue was determined to be the city's. Vacation occurred during municipal utilities construction. Motion was made and carried that the city restore driveway on resident's property. Apologies were given for inconvenience.

Sanitation Services

Sanitation representative questioned the council regarding road restrictions adopted. Issue was discussed. Council consensus was to canvass at licensing time and ask more questions.

Detention Ponds

Council was updated concerning retention ponds at Sixth Street and Sunny Ridge Drive. The area draining into the ponds is a large part of the watershed that extends further than the property being developed and includes an area on Town-Line Road. Suggestion was made to construct another pond in park parking lot. Development in area could still exceed capacity. Engineer was of the opinion that the ponds at SunnySide were not constructed as they should have been. This issue needs to be researched.

SkyView Lane Improvement

Request was presented to blacktop the end of SkyView Lane as a turn around. Developer offered to pave at a cost. Motion was made and carried to authorize payment from Major Streets Fund to blacktop SkyView Lane cul-de sac end not to exceed $2200.

Administrative Intern

Administration requested an Administrative intern for three months for 20 hours per week. Council discussed temporary help versus interns. Council will interview interns.

Carver Lions

Carver Lions are making plans for the upcoming Costume Halloween Party to be held Saturday, November 2 from 5 - 7 PM. Pre-school to 5th Grade - Cash prizes for costumes. Admission: $2/per child and one food item for food shelf.

The Old Timers' Softball Tournament and the Horseshoe Tournament will be held Saturday, September 7th during SteamBoat Days also.

The Carver Lions have elected Cheryl Peterson as the upcoming President for '96-97. First Vice President elected is Harlen Thaemert, Secretary; Gratian Welter, Treasurer; Ben Lano and Gaming Manager; Lee Ostlie.

Yellowstone Raccoons 4-H club

The Carver County Fair is behind the 4-her's. Most members had entries this year. One member went on to participate at the State Fair with her project. Members are finishing up their projects.

New membership/enrollment begins in September. Horse 4-h project members will be participating in SteamBoat Days parade. Other members will be helping in other areas and events for SteamBoat Days.

Steamboat Days

Black Sox Fund Raiser

The Carver Black Sox are sponsoring a money calendar. The cost is $20 per calendar (ticket). There are 365 winning numbers drawn. You can win more than once. Prize will range from $20 to $500 per day. The drawing will be held on September 11, 1996 at the Carver City Hall.

The proceeds will go to the Riverside Parks. We need to save the parks we have because of the number of people playing ball. We want t try to raise the field as well as build a dike around the fields. This project will be done if our application is accepted by the National Guard. If this can't be totally done, proceeds will go to the completion of the new community parks, the shelter and towards construction of a kid's "tot" playground at the site.

At one time or another 90% of us have enjoyed the parks by the river. We've watched games by kids and adults. We've enjoyed the peace of sitting/fishing by the river. Help save these parks. We want to use these parks all of spring and summer not only a couple of weeks a year.

We need help to sell the tickets. If you can help sell or just wish to purchase a ticket call Paul Reimer at 448-3422.

Thank you! Carver Black Sox
