Number One Hundred Fifty-Six
April/May/June/July/August 1998

Public Works Report

ıter on Broadway was discussed.
:ter is to be drafted for correction and
ordinating work schedule to correct
)blem. Work completed will be done
property owner who is cause.

)sion at Carver Depot property was
cussed. Business owner is to be
ıtacted and inquiry made for
recting problem. Damage done on
ner across from the Depot will be
)aired by insurance monies received.

yview Lane is deteriorating. An
imate for repairs has been received.
cussion was also held regarding
ter line installation at same time as
)airs.

ıiry was made regarding policy and
cedures for contacting personnel in
emergency. Discussion concerning
ers for emergency use pursued.

Fourth Street

sidents were present at the council
eting to discuss traffic on Fourth
eet. Several suggestions for varying
es of signs were discussed. Main
erent was concluded to have more
rolling done. Speed has increased
ce removal of stop signs. Fines
lected would aid in defraying extra
rolling costs. Issue is to be reviewed
ain. Motion was made and carried for
ditional patrolling.

Levee Improvements

ıncil scheduled Public Hearing for re-
ımation/excavation Conditional Use Per-
: by motion. Motion was made and car-
ed accepting Environmental Assessment
:k Sheet on the levee.

Municipal Utilities Report

Pursuing discussion of SkyView Lane repair, municipal utilities operator suggested water line installation to serve new homes on South side of street. Suggestion was made that the Waste Department pay this cost which could be reimbursed with hook-up charges upon connection. Engineer reviewed necessary process for this type of project, which would involve a feasibility study, public hearing, and drafting specifications to be assessed.

Operator reported that upgrade on the well is completed. Repairs are necessary to the pumphouse by the water tower. Estimates are needed for this work.

Council discussed update of finance plan for wastewater treatment plant expansion project. Bond sale report was distributed to council for General Obligation Temporary Loan Anticipation Bonds. Amount surprised council since it was higher than project costs. This item was discussed. Motion was made and carried by roll call vote adopting resolution providing for sale of General Obligation Temporary Loan Anticipation Bonds.

Motion was made and carried adopting resolution accepting proposal of sale of General Obligation bonds for waste water treatment plant expansion.

County Road #40/Town Line Road Lift Station Improvements and Waste Water extension from Gilfillan Avenue to Sixth Street West was discussed. A survey is necessary. Planning costs are a percentage of construction costs. Connection fees should pay for project. Motion was made and carried approving proceeding with plans and specifications for lift station.

Sheriff's Report

Deputy reported an increase of vandalism throughout the county and Carver is no exception. One vandal has been apprehended and restitution sought.

Additional speeding tickets have been issued. Deputy was directed to coordinate extra patrol time with City Administrator.

Carver County Sheriff's Department was contacted regarding extra patrol.

Grandview Estates Subdivision

Resident requested utilizing flexible Zoning Ordinance in order to better utilize land by changing zoning classification. Inquiry was made regarding Public Hearing scheduled for such request. Council directed City Administrator to review why plat had not been approved previously and respond to changing zoning to Planned Residential Development from Single Family Residence, as well as necessity for Public Hearing.

Council reviewed attorney's letter regarding subdivision concerning past and present events. Administrator recommended approval of final plat, however, filing date expired. Developer agreed about lack of knowledge regarding Residential Development form after filing for Single Family Residence Zoning. Previous approval had been granted for lot size variances and possibly should apply to said development, but current plat approved would have to be cancelled. Planning Commission should also review the issue. The Planned Residential Development was not for development for less than five acres. Options were discussed. Further discussion was planned.

Board of Review

Several citizens were present to discuss valuation assessments of homes. Discussion was held on how's, why's and wherefores. Board of Review recessed until the end of April. County Assessor's office would review homes of those who completed questionaire form.

Liquor Licenses

t was councilman's opinion that liquor license issue should be addressed prior o adopting the resolution. Council mem- er felt justified in increasing fee. ar owner agreed pointing out loss of ompetiveness with higher fees espec- ally due being banned Sunday Sales. nother bar owner pointed out that arver has had highest license fees in ounty for years; other cities have just aught up with Carver's rates. Motion as made and carried y roll call vote 3 ayes; 2 nayes) adopting resolution o increase liquor license fees.

Historical Preservations

)wner of historical building was resent to appeal Heritage reservation Commission ecommendation regarding exterior of ary's Place. Photo was presented of uilding when first constructed. ouncil member commented that uilding had been altered since picture as taken. Inquiry was made why wner did not respond to City staff's ontact and if meeting requirements as an issue of cost. Owner xplained that it was personal eference and would not be pleased have to comply with commendation of Heritage reservation Commission. Motion was ade and carried to uphold Heritage reservation Commission's commendation for work at Gary's ace.

SkyView Lane

otion was made and carried directing city ngineer to draft feasibility study for Sky- ew Lane Improvement Project. Cost not to ceed $1000.

ief history was given by City Engineer on yView Lane. Street was twenty five years d. Proposal was submitted that the city y fifty percent of the costs and the bal- ce be assessed per thirty nine lots. Ass- sment procedures were reviewed. Public aring was scheduled for SkyView Lane Im- ovement project.

Main Street Road Feasibility Study

tail have been reviewed to date. Sug- stion was submitted to run an intercept- line for future growth of the city. Mo- on was made and carried to run a 21" PVC pe from County Road #40 to Sixth Street.

Miscellaneous

Motion was made and carried selecting Carver County Housing & Redevelopment Authority to administer grant for levee improvement project.

Motion was made and carried by roll call vote to adopt resolution supporting request to MNDot from the Southwest Corridor Transportation Coalition urging MNDot to waive normal regulation and proceed to purchase remaining right-of-way to preserve new Highway 212 corridor.

Water in Community Park was discussed briefly. Administrator was directed to research issue.

Council adopted resolution concerning vacation for portion of Fifth Street East by roll call vote.

Firefighters reported preference to vesting increments of five, ten and fifteen years. Fund is self supporting and retirement would not be received until firemen turned fifty and money would remain in fund. Motion was made and carried approving early vesting option.

Hunting within city limits was discussed. No decision was reached. Research to be conducted.

Council discussed sprinkling system for the downtown park area. One council member stated that there were other needs for the park. Motion was made and carried with three ayes and two nays approving low quote for sprinkling system at downtown park area.

Street Vacation

Council discussed resolution involving vacation of portion of Main Street West. City attorney stated that a portion of the vacation should be clarified with the county. One citizen inquired about paving of the driveway. The city and the county would have to review the request prior to approval. Motion was made and carried to vacate a portion of Main Street West.

Disclaimer

Preliminary minutes of City Council meetings were referenced to compose the "Villager Tower".

2) Approve Agenda
3) Petitions from Residents
4) Consent Agenda
5) Public Works Report
6) Municipal Utilities Report
7) Administration Report
8) Other Business
9) Adjourn

Carver Creek Subdivision

City Planner spoke on Carver Creek Subdivision. Access would be from Town Line Road for the first phase. Final approval was recommended by the Planning Commission. The first phase would have fifty eight lots. An agreement would be drafted to outline conditions as approved by the council.

City engineer updated the council on the engineering issues of the final plat for said subdivision. Council discussed extension of County Road #147 as urban or rural. Discussion also was held on an center island at the entrance, snowplowing problems and retention ponds, as well as drainage.

The developers agreement would address all the above issues. Council was told that granting permit for grading should be given and approved by the city engineer. If an urban street was desired then the city would bear additional costs. The county and developer would be responsible for a rural road. Council consensus was to choose an urban road.

Motion was made and carried to approve the final plat for Carver Creek conditioned on staff and consultants, as well as developer signing Developer's Agreement.

Motion was made and carried to approve a grading permit subject to the city engineer's approval.

Public Hearings were continued on structure setback and frontage variances. City staff had recommended not granting variances. City planner reviewed differences of plat filings. Street widths and sewer systems were discussed. Attorney recommended following city engineers recommendations due to city liability.

Scott-Thresher's Show

Old fashioned country fun for the entire family happens Friday, Saturday and Sunday (July 31, August 1 & 2 when the Scott-Carver Threshers saw, thresh, dance and fiddle through their 35th Steam and Gas Engine Festival near Jordan. Gates open daily at 8:00 AM and close at 6 PM

Highlights include the 18th annual fiddling contest on Saturday afternoon, an old-fashioned pioneer wedding at 6 PM and the daily includes the 1 PM parade of gigantic steam engines, anti que cars, trucks and tractors and antique farm equipment and construction equipment.

Other festival highlights include grain threshing, square dancing, slow tractor races, the Thunder Road Band, quilting, a craft market and flea market. On display from now-demolished Armour meat packing plant in South St Paul is the massive Vilter stationary steam engine with the 18' flywheel now enclosed in one of three new buildings.

Burning wood and water to build steam pressure, the massive Case steam engine is belted daily to the grain separator to thresh stacks of wheat. Other grains are belted to the sawmill to turn huge logs into dimensional lumber.

Friday is set-up day and features the Jolly Woodchopper entertaining in the picnic shelter. Square dancing by the Westonka Whirlers from Mound in the outdoor picnic shelter begins at 10AM. Saturday followed by the daily parade at 1PM. Within the parade will be a special selection of Case machinery is featured this year. Also on display will be many John Deere D tractors as the Threshers are celebrating the JD "D's" 75th birthday.

After the parade Sammy's Concertina Band will be on stage until 4AM, followed by the fiddling contest at 4:30 PM in which children as young as eight plus current state-champion fiddlers Tom Wesgerer, Angie Marrs and Gilmore Lee and others will compete on different categories for cash prizes.

Joshua and Ton'ee Beise are doing a reenactment of their old-fashioned pioneer wedding in front of a tepee at 6PM on Saturday evening after the fiddling contest and before the pork-roast dinner.

Don't expect to see a tux or a satin gown. Expect to see mountain man pants, strings of beads animal claws on a derby, cotton pioneer desses and lots of fur. The groom's father is the best man in his "leathers and long fringes". Joshua and his dad Gary are members of the Frontiersman Camping Fraternity an organization that holds rendezvous throughout the Upper Midwest.

Sunday morning begins with gospel singers entertaining in the breakfast shelter followed at ten by open stage where local talent performs. Sunday afternoon the "Thunder Road Band' from Mankato entertains. Antique cars will fill the exhibit area mid-afternoon when an antique car club stops in.

Ladies from the Chaska area will demonstrate the art of quilting in the reconstructed log cabin that was originally built in 1850. Ginny Spurlock and Linda Pieper from Jordan will be spinning and winding wool. Barb Johnson will be weaving rugs; Russ Johnson caning chairs; Charlie Taylor will be doing leather crafts.

For those seeking the unusual, craft and flea market dealers sell crafts, antiques, tools, and collectibles. For those who enjoy a game of horseshoe, Earl Dean and Julian Peiper, the local "old-time" champs, will play them daily.

Additional attractions include a shingle mill, a lath mill, and a straw baler. In the blacksmith shop, smithies pound out horsehoes.

Mingling their aromas with the steam and smoke are the Threshers' food stands, pop and popcorn stand and shake stand. Serving of the threshermen's breakfast begins each morning at eight.

Admission is $5.; children under 12 are free. Signs on US Highway # 169 direct traffic to the grounds. Anyone who exhibits equipment receives free admission. Parking is free.

The Scott-Carver Threshers named for Scot and Carver counties, is a non-profit orga zation, comprised entirely of volunteers. Anyone who wants to help preserve the pas is welcome to become a member. All procee go to the expense of the festival, new bu ings and equipment and new attractions. T threshers are working to preserve our agr cultural and industrial past for the pres and future generations. More information available at (612) 472-2987.

Scott-Carver Threshers is a non-profit organization. Neither owners nor operators are paid for their services.
All proceeds go into new buildings, equipment and attractions for the betterment of the club and the viewing pleasure of the public.
Join us as a spectator. If you're looking for a fun-filled hobby, join as a member. Information: 612-472-2987 (at festival: 492-2062)
