Volume XVI

Number One Hundred Fifty Eight
September/October/November 1998

Villager Tower

Sixth Street Ponds

Lower Minnesota River WaterShed District has agreed to fund an established amount to clean ponds on Sixth Street. Awarding the contract was authorized for cleaning these ponds.

Municipal Utilities Report

County Road #40 lift station construction need was explained to the council by the engineer. Council was also presented with an estimate on revised project costs for waste water treatment plant. Specifications and advertisement for bids was all done by motion. Low bid was accepted for work for lift station interceptor from SM Hentges.

Miscellaneous

Fire Chief talked with the council concerning necessary items needed for the Fire Department. Authorization to submit grant applications to the DNR for hoses was given by motion.

Fire Department has two new members.

Planning Commission is still working on Comprehensive Plan. Planning Commission members are scheduled to meet with Dahlgren Township to discuss issues which would affect the township and the city jointly.

Levy was set by motion when council discussed budget. Resolution was adopted for proposed levy. Public Hearing was scheduled for Truth In Taxation meeting for December 7th, 1998 at 7PM with continuation meeting for December 12th (7PM) if necessary.

Council accepted the 1997 audit by motion.

Agreement was approved for use of the Village Hall for the Red Cross in times of emergency.

Administrator reported that FEMA Inspectors agreed that money was available to remove trees which has been damaged by the major storms last may. However, it has been difficult to locate a capable company to do this work.

SkyView Lane

Authorization was requested for patching to be done on SkyView Lane since improvements have not been approved as of now. Authorization was given for staff to make decision to patch street as needed with financial limits. Storm sever was also discussed. Work would be required on drain basin. Temporary repairs have been made on SkyView Lane.

Well House Upgrade

Heritage Preservation Commission recommended approval to make improvements on well house for upgrading. Authorization was given to make improvements with costs not to exceed $2500.00 and the money from water fund was to be used.

Fire Department

Council discussed an ordinance authorizing reimbursements for some fire and rescue responses. Opinion was stated that an ordinance should be instituted to charge fee for those outside the fire district limit. Another opinion was to do this process on a trial basis. However, the administrator stated that to do this procedure on a trial basis was not possible. An ordinance would need to be adopted and then repealed if satisfactory results were not achieved.

Levee Improvements

A Change Order is necessary for Ash Street retaining wall which was explained by the engineer to the council regarding levee improvements. Maintenance problems in that area were discussed. Budgetary cost changes were questioned. It was stated that change should not affect estimated costs. Recommendation was made by motion to construct Ash Street retaining wall.

Carver Bluffs

Council talked about re-plat of Carver Bl Addition. Trails were also discussed for dition.

DNR Grant project for fences was also dis cussed for Carver Bluffs addition. Two qu for fencing the park area were received. bid would be accepted contingent on grant funding.

Variance Request

Public Hearing was held regarding varian request on sideyard. Planning Commission recommended acceptance. Since the varian did not appear to interfere with any futu development, there was not any objection. Adoption of resolution granting side yard variance was approved by motion.

Disclaimer

Preliminary minutes of City Council meetings were referenced to compose the "Villager Tower".

4-H Yellow Stone Racoons

Yellowstone Racoons are presently conducting registration. If interested contact Ruth Melchoir (448-7197).

The club had a Halloween party for fun time at member's home. Group had a good time.

YellowStone Raccoon members, many of whom were friends or classmates volunteered to make a memorial bench to be placed beside the designated area at the East Union School where there will be a memorial site for Jake Anderson to always remember him.

In November the club will have election of officers at their meeting.

Compensation Study

Administrator proposed compensation study be done for the city employees. Pay equity and comparable worth need to be followed. The firm who submitted quote was recommended by the League of Cities'. Other cities input on services performed by this firm would be of interest to the council. An Employee's Association explained their services as well. Issue was delayed. Committee would work on this process. Council accepted conducting this proposal.

Historic District Restoration

Council discussed restoration project which is not being complied with in the historic district. Alternatives were discussed. Present city ordinance does not allow certification of fines onto the taxes. The ordinance requires amendment. An ordinance should be drafted to correct inefficiency in following up with projects. Present issue has been completely blown out of proportion. The ordinance needs to be reviewed for deficiencies.

Community Park

Plans are to move the shelter from Riverside Park to the Community Park. Moving the dugouts as well, was also discussed.

The swing set has been ordered for the Community Park. An area for a volleyball court has also been dug out. Progress is also being made for a BMX tract in the Lions' Park.

Carver Creek Subdivision

Letter of credit and developer's agreement were discussed for Carver Creek Development. Contractor disagreed with terms in the Developer's Agreement. Language in the agreement is standard for the attorney. One council member stated that they thought the attorney's advise should be followed. Developer agreed under duress to sign agreement.

Carver Lions

Lions also had a Halloween party.

The Lions will be holding a Steak Fry Benefit for Joey Poppler on Friday, November 13th from 5 PM to 7 PM at the Village Hall. You can purchase advance tickets from any Carver Lions or at the Carver Depot.

Announcements

Congratulations to Beth and Carlos on the birth of their daughter on August 26th at 10:08PM. Mikayla Michelle Enriquez weighing in at 7 LBS 15 OZS.
