Volume XVII

Number One Hundred Sixty Three

June/July/August/September 1999

Villager Tower

Employment Recognition

Kenneth Frey, Public Works was presented with a watch from the City of Carver for twenty years of service to the City. Congratulations Ken!

Fire Department Report

The council was updated on calls for the month.

A quote for upgrading the generator at the Fire Station for emergency use was discussed. The topic was talked about concerning necessity, costs, etc. A recent accident brought awareness of the necessity for the use of the generator since things taken for granted were affected by this particular accident and insurance claims were necessary. Action has not been taken at the time of print.

Fire Agenda

August 2nd 1999
Monday evening 6:30PM

1) Call to Order
2) Approve Agenda
3) Petitions from Residents
4) Consent Agenda
5) Public Works Report
6) Municipal Utilities Report
7) Administrators Report
8) Other Business
9) Adjourn

Eagle Ridge

Developer was present to discuss final plat for Eagle Ridge Subdivision. The developer, however, did not agree with all of the issues on the engineer's report. There was discontent over the issue of the money owed for upgrading of Mt Hope Road. Motion was made and carried approving the final plat of Eagle Ridge #3 contingent on Developer's Agreement.

Conditional Use Permit

Recommendation was received from the Planning Commission denying the request due to non-compatible use in an Agricultural District. Motion was made and carried denying Conditional Use Permit by Delp Ministries.

Third Street Bridge

The use of Tax Increment Funds money being used for the Third Street Bridge Replacement was discussed. Grant funds may be available. Alternate financing and various combinations were reviewed. Motion was made and carried with three ayes and two nays to utilize approximately $80,000.00 of Tax Increment Financing Funds to repair the Third Street Bridge in order not to lose grant money.

Miscellaneous

Administrator informed the council that grants have been received from the Lower MN River Watershed and Carver County for Surface Water Management Plan. A study will be conducted.

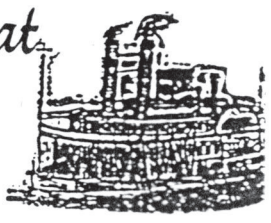

The Building Inspector informed the council of the necessity to adopt the MN Accessibility Code as mandated by the state. Motion was made and carried adopting accessibility code.

The council discussed city/residents sharing street reconstruction policy. Possible assessment amendment policy to be reviewed in the future.

Need for new fire station was questioned. Explanation was given for necessity to house equipment, as well as desperate need for a Public Works garage.

Council discussed city's request for a six month extension for the Department of Trade and Economic Development Grant.

Steamboat Days

Disclaimer

Preliminary minutes of City Council meetings were referenced to compose the "Villager Tower".

Municipal Utilities Report

Operator discussed with the council the status of septic tanks being pumped and the time schedule associated with this action. A re-evaluation is suggested, as well as conversions necessary.

The council reviewed lift station/sewer line extension costs and waste water treatment plant costs. Further research is necessary. Council also discussed planning report for Well No #2.

The engineer reviewed information presented to the council regarding recommendations for conversion from gray water to black water sewer system.

Annual water quality report is required by the Department of Health. Council discussed distribution of this report.

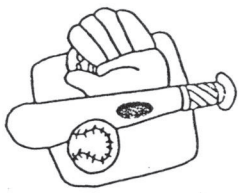

Utilities operator talked with the council concerning water meter installation policies. Installation will be overseen by the operator in the future to ensure proper installation.

Council reviewed the report presented regarding well number two. There are three aquifers available to the city. However, one aquifer had to be eliminated due to instability and a second aquifer already has too high a demand. Tests were recommended. If a treatment plant for water were ever feasible, planning should be proposed with this fact in mind for the future. More research is to conducted.

Council discussed waste water treatment plant financing. Recommendation was submitted to obtain PFA Loan (federal government loan).

The council reviewed the report concerning the elevated water storage tank inspection. Sediment has collected at the bottom of the tower which occurs approximately every six months according to the company who cleaned the water tower. External and internal coating was a recommendation submitted by said company. Second opinion should be sought was one statement issued. Another opinion was given to wait for this process to be done.

Utilities capital improvements program planning chart should be upgraded the council was told.

Carver Community Youth Baseball/Softball Association

The Carver Community Youth Baseball Softball Association teams, which are sponsored by the CARVER LIONS, experienced a very good year. The end of the year playoffs had the 8 and under teams of boys and girls, the 10 year old boys team and all 3 teams of girls playing the same week-end. The 8 and under teams played and all receiving participation trophies. The 10 and under boys team won their championship playing in Chanhassen against teams from Chanhassen and Victoria.

The girl's teams played in Chaska, against teams from Chaska, Chanhassen and Victoria. We had all 3 teams in the championship. Our 10 and under team took 2nd losing in overtime. The 12 and 14-year-old teams both won their championship. What a great time to be able and watch all 3 teams playing at the same time and to see the support of parents and fans for these youth and coaches on the field.

The 12 and under boys teams had one of the Carver teams winning their championship game played at Carver on the hottest week-end of the year. They played against teams from Chanhassen and Victoria.

This is the 1st year for our 18 and under boys' team. It was our youth that came and asked if they could have a team. They ended the season by taking 2nd in their playoff. Great work guys.

As I am writing this, our Jr. Babe Ruth and Babe Ruth teams are in their playoffs. Good luck to both of these teams.

We would like to take this opportunity to say 'THANK YOU CARVER LIONS' for your support in this program. I also want to say 'THANK YOU' to all of the COACHES who have given of their time to be on the fields in practice and at games to encourage our youth to have fun and play their best. Parents and fans alike, it does make a difference to the youth on the field also. With all of this support we have had a great year and one we can be very proud of.

Steamboat days, which will be held on September 10th, 11th, & 12th will be your opportunity to see our youth working at the Lions tent serving food. The Lions and the CCYBSA appreciate you support. This will be the community's opportunity to tell the Lions and our youth how proud you are of what they have done and what they are doing in return for our community.

Gene Thom
Co-ordinator

Church-By-The-River

City was approached for proposed purchase of the Church-By-The-River. The ability to raise money for restoration has not been fulfilled. Since the historical building is an important asset, it was considered that the city would be capable of achieving restoration monies to reach this goal. Grants would also be ascertainable by the city. The purchase would have to be approved by the Attorney General due to the involvement of a non-profit organization. Motion was made and carried approving the purchase by the city of the Church-By-The-River.

Insurance Policy

Recommendation was submitted to the council to approve the League of MN quote for insurance renewal. Additional Worker's Compensation coverage for council representatives was considered, discussed and passed by motion to adopt resolution for Worker's Compensation coverage.

Flood insurance for the fire station and church were discussed. Insurance coverage for both buildings was rejected by the council.

Employee Pay Structure

Council discussed the city's pay structuring for employees. Administrative Assistant increase was recommended. Motion was made and carried approving pay increase as outlined by the Administrator.

Public Utilities operator's probationary review was conducted and recommendation was also submitted to remove him from probationary status. Motion was made and carried to employ the public utilities operator on a permanent basis.

August/September 1999

Carver SteamBoat Days

SOMETHING FOR EVERYONE!

Notes

Carver Lions

The Carver Lions will be sponsoring the Food/Beer Tent again this year for SteamBoat Days.

Election of Officers was held. Lowell Peterson was elected president of the club. Congratulations!

Reminder - eyeglasses can still be dropped off at the Carver Depot.

The Carver Lions are requesting empty syrup bottles and catsup bottles which can be used at their fundraisers. These items may be deposited at City Hall or the Carver Depot.

New members are always welcome. The Lions meet on the first and third Wednesdays of the month at 6:30 PM at the Village Hall.

Steamboat Days

SEE YA'LL THERE!!!!

Yellowstone Raccoons 4-H Club

The members are finishing up projects and getting ready for the Carver County Fair. Lots of luck to the members.

The 4-H members thank everyone who contributed to making their Flower Sale a success.

Scott-Carver Threshers

Allis Chalmers featured in 1999

Submitted by Dee Scott

Old-fashioned country fun for the entire family happens Friday, Saturday and Sunday (August 6th, 7th and 8th) whe the Scott-Carver Threshers saw, thresh, dance and fiddle their 36th Old-time Festival. Gates open daily at 8 AM.

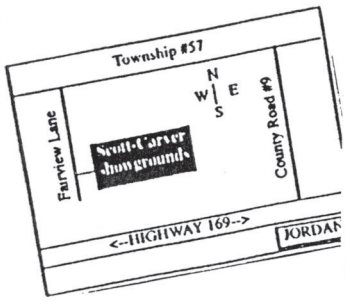

Highlights include the ribbon-cutting ceremony for the EAST UNION STORE, the 19th annual fiddling contest o Saturday afternoon and the daily 1 PM parade of gigantic steam engines, antique cars, trucks and tractors an antique farm equipment and construction equipment.

Other festival events include grain threshing, horseshoe competition, square dancing, slow tractor races, th Thunder Road Bank, quilting, a craft market and a flea market, as well as a ribbon-cutting ceremony for the ne restored country store. On display from the new-demolished Armour meat packing plant in South St Paul is th massive Vilter stationary steam engine with the 18' flywheel.

Burning wood and water to build steam pressure, a massive Case steam engine is belted daily to the threshing machine to thresh stacks of wheat. Other giants are belted to the sawmill to turn huge logs into dimensional lumber.

Friday features the Jolly Woodchopper entertaining the pick shelter until 4 PM followed by an open stage for all musicians.

Saturday morning opens with the Grand-Reopening Ceremony for the EAST UNION Store at 9:30 AM. Officers will welcome the original owner, Dolores Bengston, who donated the store to the Threshers and will do the ribbon cutting. All the businesses and individuals who donated the money that made the restoration possible will be recognized during the ceremony.

Square dancing by the Westonka Whirlers from Mound in the outdoor picnic shelter begins at 10 AM Saturday, followed by the daily parade at 1 PM. Within the parade will be a special selection of Allis Chalmers tractors because Allis machinery is featured this year. Also on display will by many John Deere B tractors.

After the parade, Sammy's Concertina Band will be on stage until 4 PM, followed by the fiddling contest at 4:30 PM in which children as young as eight plus current state-champion fiddlers Tom Weisgerber, Amber Adams and Gilmore Lee and others will compete in different categories for cash prizes.

Friday's Special Events

Sunday morning begins at 8 AM with gospel singers Mike LaPlant and 4-Joy entertaining in the central picnic shelter, followed at 10 AM by open stage where local talent performs. Sunday afternoon the "Thunder Road Band" from Mankato entertains.

Saturday's Special Events

Ladies from the Chaska area will demonstrate the art of quilting and Ginny Spurlock and Linda Pieper from Jordan will be spinning and winding wool in the reconstructed log cabin that was originally built in 1850 near Mayer, MN. Barb Johnson is waving rugs, Russ Johnson, caning chairs; Charlie Taylor, making leather crafts.

For those seeking the unusual, craft and flea market dealers sell crafts, antiques, tools and collectibles in five huge buildings. For those who enjoy a game of horshoes, Earl Dean and Julian Peiper, the local "old-timer" champs, challenge them daily.

Sunday's Special Events

Additional attractions include a shingle mill, a lath mill and a straw baler. In the blacksmith ship, smithies pound out horseshoes.

Mingling their aromas with the steam and smoke are the Threshers food stands, pop and popcorn stand and shake stand. Serving of the Threshermen's pancake/sausage breakfast begins each morning at 8 AM.

Come for the weekend

Huge primitive-camping area on the Threshers' showgrounds or hookups at KOA campground on #169

Admission is $5; children under 12 are free. Signs on US Highway #169 direct traffic to the 92-acre Thresher's Grounds. Anyone who exhibits equipment receives free admission. Parking is free.

The Scott-Carver Threshers, named for Scott and Carver counties is a non-profit organization, comprised entirely of volunteers. Anyone who wants to help preserve the past is welcome to become a member. All proceeds go to the expense of the festival, new building and equipment and new attractions. The Threshers are working to preserve the area's agricultural and industrial past for the present and future generations. More information is available at (612) 472-2987.

Scott-Carver Threshers is a non-profit organization dedicated to preserving our agricultural and industrial history. Neither owners nor operators are paid for their services. All proceeds go into new buildings, equipment and attractions for the betterment of the club and the viewing pleasure of the public. Join us as a spectator. If you're looking for a great hobby, join as a member. Information: 472-2987

LIONS / CCYBSA TENT

CARVER FIRE DEPARTMENT

Steamboat Days

STEAMBOAT DAYS PARADE
Sunday 1:00 p.m.

ST. NICHOLAS CATHOLIC CHURCH

TRINITY LUTHERAN CHURCH

OLD TIMERS SOFTBALL TOURNEY

HORSESHOE TOURNAMENT

The SteamBoat Steering and Planning Committee are meeting at the Village Hall on the following dates for anyone interested in committing their help and time:

August 4th	August 25th	September 8th
August 18th	September 1st	September 9th - Set-up

On the ninth of September downtown will be set up night. All are welcome to come and participate and give their help. Every little bit helps and makes a difference. Mark your calendars and go downtown to see how, who and what makes this event come together. Everyone! All volunteers needed and certainly welcomed!!

Special plea extended for volunteers for crowd control during the parade. Anyone interested in this particular event can contact Randy Monroe. Call before it's too late and the weekend is upon us and fun begins!

WONDER WEAVERS

OLD WEST SOCIETY OF MN

CRAFT SALES

ROYAL SIL-O-ETS

MEDALLION TREASURE HUNT

HEARYEE! HEARYEE! Don't become too disoriented this year. The Food/Beer Tent is moving across the intersection. Instead of beside the beauty shop\apartments the tent will take up residence parallel to Harvey's!

The Royal Sil-o-ets (clogging demonstration) will take place at the Gazebo on Sunday morning at 10 AM.

The Medallion Treasure Hunt is back. The first clue is be posted Friday evening (September 10th) at 7 PM on the Community Bulletin Board. Now, if you can find that, you are well on your way. Lots of luck to all!

The Old West Society will be returning to Carver. They liked us. Congratulations to all you friendly people who made them feel so welcome last year. First performance to be at the Water Tower at 10 AM, Sunday (12th of September). Then at the Gazebo at noon will be another show. The Gazebo will be again marauded after the parade. Otherwise these characters will be out and about mingling amongst all our guests in fine City of Carver.

Food, food and more food will be scattered all around town. There's the Food Tent, the churches and the Fire Hall. Take your pick or go to them all. You have two days. Check for posters!!! The Carver Depot will be a prime poster gathering post! (was not available at print time, so could not get you your own personal copy. I apologize). PS - Food/Beer Tent will be manned by the Community Softball/Baseball Association members and Carver Lions who sponsor this tent and will also be serving beer/pop/etc.

Polka fans - Be sure to attend the Polka Mass ("Don Macho Polka Band") at 7 PM and 11:30 PM at St Nicholas Church.

All kinds of varieties of entertainment will be about locally. There's the annual bazaar, antique show, Wonder Weavers, clowns, crafts and much much more. Check for posters for times and places!

Sunday 8 AM - 5K Walk/Registration and at 9 AM the race begins.

What about music you ask? Oh there's all kinds at different times and places. Take your pick. There's the street dance Friday and Saturday evening from 8 PM to midnight by "Smoke Screen". Saturday afternoon (2-6 PM - Food Tent) we have "Sammy's Concertina Band" and on Sunday (same place) after parade until 5PM. Teddy Bear Band will be performing Saturday at the Food Tent at 6:15PM to 7 PM. How about "Solid Gold" at St Nicholas from noon to 6PM. Down at the Fire Station a DJ will be belting out music after the parade on Sunday.

Need to be cooled down? At the Fire Station Saturday afternoon, 2 PM to 4 PM there are the water fights by local fire departments.

Carver Fire Department also invites everyone to their Sunday brunch at the Fire Station. (8AM to Noon)

Last but not least there is the Sunday Parade at 1PM!!

You ask, so when is this magnificent fun to occur? So that you can mark your calendars and be sure not to leave town? September 10th, Friday, Saturday the 11th and Sunday, September 12th, 1999. (Happy Birthday Dwight! - Editor's liberty!)

Announcement

"Old Machinery Hill"

John Schultz's Old Machinery Hill will once again be revived on County Road #40, going west out of Carver towards East Union. Be sure to stop for the "CORN HARVEST". This is a free demonstration of working live old machinery corn shredding, shelling and grinding. There is old machinery on display. They all have a good time with memories, tales, stories to share and good people to visit with. Lots of history flying about when it comes to past times of threshing days and old farm days. Careful you might even learn a thing or two. Be sure to come and see the kids play on Saturday 2 to 6PM or on Sunday after the parade. It is something to see unless you just aren't interested in farming/harvesting or remembering the hard working days when these people really did work their fingers to the bones. You can't miss it.
