Volume XVII

NUMBER # ONE HUNDRED SIXTY SIX

NOVEMBER/DECEMBER 1999/JANUARY 2000

TRINITY LUTHERAN CHURCH

Council reviewed the issue of the parsonage Septic tank at the Trinity Lutheran Church. Administrator explained that the parsonage Apparently had not been hooked up to the septic tank. Correction of the situation has now been achieved. However, now there is the question of filling in the existing tank.

CONDITIONAL USE PERMIT

Public Hearing was held with discussions concerning Conditional Use Permit. A draft resolution for review was presented for consideration. Noise and appearances were the main concerns. Neighborhood Committee and the property owner getting together was suggested. Issue to be again discussed in the near future.

The zoning and exterior storage on said property was discussed further. A resolution was revised which outlined conditions. There had been a work session which the council was apprized of. Many problems have been corrected. Motion was made and carried by roll call vote adopting resolution for Conditional Use Permit. Letters will be forwarded to adjacent property for landscape options.

FIRE DEPARTMENT

Gear which the Fire Ladies purchased for the Carver Fire Department has been received. The Fire Department is also researching for funding for the need of an additional heart start unit.

FIRE STATION

Council discussed the two proposals presented for a new fire station. One proposal involved remodeling the present station and the other would be a new station. Discussion of financing and type of building were also talked about. In order for response time to be quicker the department would also like to construct a new building on County Road #147 since it is more centrally located.

Further questions were posed to the city engineer regarding the proposed fire station construction and/or expansion. One council member expressed concern of construction costs being inflated. Contingencies had been added was explained. Cost of an addition being constructed to the existing station was questioned.

LOCAL HOUSING INIATIVES PROGRAM

The council was informed that the annual resolution Liveable Communities Act – Local Housing Initiatives Program was required to be accepted in order for the city to remain in this program. Motion was made and carried by roll call vote adopting resolution to continue in this program.

CARVER-LOUISVILLE ROAD VACATION

City Administrator explained necessity for vacation of the Carver-Louisville Road, as well as trading land which can be utilized for the DNR trail. The entire road can not be vacated. The road needs to be surveyed. Consideration of retaining for future use needs to be thought out completely. Alternate options will be checked into.

PROPOSED BUDGET

Council held Public Hearing for the proposed budget/levy. Administrator presented some background information. Resident reviewed a copy of the budget. Fire Relief budget was less than anticipated. Motion was made and carried adopting the 2000 budget at the December 13th scheduled meeting and to close the Public Hearing.

Motion was made and carried with roll call vote adopting resolution approving the 2000 Budget and Levy for the City of Carver.

AMPHITHEATER

Director, Mr Jerry Kucera of MN Valley Homeowners Association informed the council of proposed location for the amphitheater in Louisville Township which is approximately three miles across the river from Carver. The proposed generated noise, which will be created by the amphitheater, was discussed. Scott County has the final say on the outcome of this proposal. Questions can be directed to Scott County representative, Al Frechett.

Advocates to the amphitheater are to be invited to a meeting to speak to the council.

COUNTY ROAD #147/COUNTY ROAD #40

Administrator spoke with the county regarding County Road #147. Meeting has been scheduled with Mueller's Gravel Pit. Alternate routes are being looked into and work could begin next year.

CARVER LIONS

Proceeds from the Lions Halloween party were donated to the Scott-Carver Food shelf.

Forty-five fruit baskets for the Christmas Holidays were delivered the week of the 20th in December to seniors of the Carver area.

Also for your information, in case you were wondering; (I was); the Carver Lions were responsible for the colorful warmth of decorations in the Gazebo Park area and the Village Hall exterior. It was a nice addition to the coziness for the village. (Thanks from the Editor)

The Lions had a great and fun time at their annual December Christmas party. Invited guest was the District Governor. At the same event, five new members were installed.

Happy Holidays from the Carver Lions !!!

Reminders:

Eyeglasses can still be deposited at the Carver Depot.

New members are always welcomed and needed. Lions meet the first and third Wednesday of each month at the Village Hall.
