VOLUME XVIII
NUMBER #ONE HUNDRED SIXTY EIGHT
FEBRUARY/MARCH 2000

# Villager Tower

GET WELL SOON RON!!!

MISSED YOUR REPORT THIS MONTH!

## MUNICIPAL UTILITIES

A problem with ice in the clarifier was discussed with the council. A solution is being worked on at the present time. A heater has been place din the clarifier to prevent recurrence.

## COMMUNITY DEVELOPMENT

Motion was made and carried reducing the Letter of Credit for Eagle Ridge Third Addition.

The council discussed authorization of issuance of Public Facilities Authority note and loan. The city would save money paying off '98 Temporary Bonds because of the low interest rate. The city attorney informed the council that the PFA loan cannot be paid off early for twelve years. Motion was made and carried by roll call vote adopting the resolution accepting the offer of the Minnesota Public Facilities Authority to purchase General Obligation Sewer Revenue Note of 2000, providing for its issuance and authorizing execution of a project loan agreement; and calling for the redemption of that part of the city's General Obligation public utilities Bonds, series 1998 relating to the project.

## CITY ADMINISTRATOR REPORT

Council was told that the city administrator's scheduled meeting with the DNR (Department of Natural Resources) had been cancelled.

Council was also told that the administrator has been working on Village Hall rental policies. It is his opinion that written forms similar to contracts are necessary.

Fee Resolutions recommendations will also be forthcoming.

## COUNTY ROAD #147

The council was informed of an update on County Road #147 from the County Engineer. There is a delay regarding the placement of the road due to the fact that gravel in that location is very valu-able according to Mueller's. Therefore there will be an alteration in alignment. The issue is presently being worked out.

A berm constructed on County Road #147 was inquired about. The county was to be contacted to ensure regulations were being met.

## PUBLIC WORKS DEPARTMENT

Available options for proposed employee addition for the Public Works and Public Utilities Departments was reviewed by the administrator. An ad would be drafted and the council would review. Council also expressed interest in being involved in the interview process.

## MISCELLANEOUS

Future discussions will occur regarding installation of a new siren per Fire Department recommendations.

Council was updated concerning the "jake braking" issue. The county has responded to their willingness to erect a sign in spring prohibiting such type of braking. The city will recommend location site.

Motion was made and carried to abandon plans for work on the Third Street Bridge.

Only six people had attended the SteamBoat Days Steering Committee meeting. Attendees discussed bringing more people and each in attendance bring a guest. Residents will be approached about attending meetings. [Anyone interested in participating is to contact city hall.]

Suggestion was submitted that the commercial and industrial development issue be placed on the monthly agenda as a reminder to the council.

Cleaning of the fire station was questioned. The administrator will look into the issue.

## AMPHITHEATHER

Administrator is gathering information regarding the amphitheater proposal. A letter was forwarded to EAW (Environmental Assessment Worksheet). Scott County personnel were also contacted for their input. It was the mayor's opinion that space should be allowed to schedule a public hearing on the issue for further discussion.

## CHARITABLE GAMBLING

A business owner has requested three changes to the Charitable Gambling Ordinance. Owner would like to sell pull tabs in their establishment, which is an unnamed organization and does not meet ordinance provisions. There was not anyone present to offer more information at the meeting. This issue was tabled by motion until appropriate representation could be at the meeting to discuss the issue further.

The city attorney informed the council that two separate issues were being raised regarding the Charitable Gambling Ordinance. Restrictions concerning where money can be spent is not necessary up the council, however they can do such. The council was also reminded that the ordinance was revised in 1998 complying with state statutes.

***

**"All progress has resulted from people who took unpopular positions."**

**—Adlai E. Stevenson**

## PARKS AND RECREATION BOARD

Grant applications have been discussed by the Park and Recreation Board at their meeting. The board would like to construct a soccer field at the Community Park.

Also the board discussed the newly rezoned park area near the railroad water tower, which should be officially named. At present, it is being unofficially referred to as the Depot Park, railroad water tower park, and water tower park. The mayor stated liking the "Depot Park".

The council was also informed that the Park and Recreation Board will not be holding the BullHead Feed.

## HERITAGE PRESERVATION COMMISSION

The Heritage Preservation Commission reported highlights of their meeting to the council. Possible upgrade of the Third Street bridge had been discussed, as well as plans for a photo contest. There was also talk of the Lions possibly changing the façade of the Village Hall.

Administrator explained to the council the issue of the Heritage Preservation Commission's efforts to become certified.

Ordinance changes are required to attain this status.

## CARVER LIONS

One of the Carver Lions, Ron Young recently had knee replacement surgery. Keep him in your thoughts and prayers. Whish him well. Get Well Soon Ron!

Another Lions member was kind enough to temporarily fill in with the Lion's news report in Ron's absence.

Be sure to mark your calendars. Fill your social calendar with the following date and support your local Lions at their Pancake and French Toast and Homemade Sausage Breakfast on Sunday, March 19th at the Village Hall from 7:30 AM to 1 PM. By an advance ticket for $1.00 and you will be included in the raffle, then a $4.00 Balance to eat breakfast for a total of $5. Breakfast at the door will be $5. and no chance for the raffle. Ages 6-12 will be a flat $2 cost. Children under 6 will eat free. See you on Sunday, March 19th.

The Lions are in the process of tentative plans with the local Boy Scout troop for a Steak Fry scheduled for April.

The Lions are also talking and plan to purchase new exterior façade for the Village Hall. They are researching different designs which would be in compliance with the historic appearance.

Lions also are researching the issue of electronic message boards. There are discussion of possible purchase of such a sign.

Lions have committed to purchasing new Christmas decorations for the core city. *[NEAT!]*

*REMINDERS:*

Eyeglasses can still be deposited at the Carver Depot.

New members are always welcomed and needed. Lions meet the first and third Wednesday of each month at the Village Hall.
