In Memory of MIKE

"MEMORIES SO PRECIOUS"

As parents, do we ever really face the fact that we could lose our children?
Harsh reality reminds us frequently of that possibility.
Time so Short
The degree of loss insurmountable

We watch them take their first steps
We ogle at their first words
We cry on their first day of school
We glow with pride as they grow into individuality
We frown when identities flourish into assertion
We scowl with disapproval at their rebellion
We cringe with fear when the wheels debut their newly found freedom
We expect the worst and sigh in relief when our worst fears are proven wrong
Suddenly, if we're lucky, they're all grown up
They've reached that magic moment of so called adulthood
We succeeded – We achieved the impossible
Apprehensively we stand by as they venture (we think, sometimes carelessly) into their future
Then suddenly all our lives are robbed
Understanding intangible
Our hearts heavy with this terrible unbearable void, which no words can fill
The degrees of pain vary, the depth unyielding
Pain deeper than ever imaginable

What does one say to those in such horrible pain
Our minds know God will make it all better, we all are mortal
But our hearts yearn for that loved one
That special touch, those words from their mouths
The smiles that envelope us with warmth and fuzziness within
That pride of our procreation and the bonds created over the years.
The reciprocated love they give
Love is supposed to conquer
Everything out of our control

There are no words
God help me....to accept this harsh cruel reality
They say, "Time Heals".
?

Obituary

Young

Michael Paul Young, 36, of Carver died Tuesday, June 27th, 2000 at Hennepin County Medical Center in Minneapolis.

A funeral service was held Friday, June 30, at East Union Lutheran Church in Carver with the Reverend David Lecheit officiating.

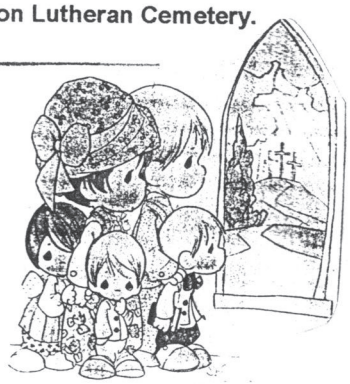

Mike was born on January 28, 1964 in Shakopee, to Ronald and Karen (Turner) Young, one of three children. He was baptized and confirmed at East Union Lutheran Church and attended East Union Elementary School, St John's in Chaska. He was a 1983 graduate of Chaska High School.

Mike was employed at Instant Web. A lifelong resident of Carver. He was volunteer at Fair Share and enjoyed helping his friends. He enjoyed fishing motorcycling, visiting around bonfires and being with his family and friends.

Survivors include his parents, Ronald and Karen Young, Carver, brother and sister-in-law, Thomas and Kathy, Carver; sister, Lori & her fiancée, Paul Skogland of Forest Lake; as well as many close friends.

Casket bearers were Randy Schmidt, Jim & Jeff Zangl, Jeff Anhalt, Lin Bonner & Jim Olson. Honorary casket bearer was Kyle Hanson.

Burial was at East Union Lutheran Cemetery.

GET WELL

I would like to take this time to extend my sympathy, as well as gratitude to Ron and Karen Young. Many of you are not aware that Karen just had knee surgery and is recuperating at home. Ron also is now home recuperating from surgery as well. This entire page is dedicated to these dear friends and neighbors. They have helped in the past (as well as present) with the " *Villager Tower*". Ron is a Carver Lion and supplies much of the Lions news for the paper. Recognition of all their help is necessary at this time. They have always been there when we needed them. They've babysat our children and our grandson (and probably many readers' children too). A SPECIAL THANKS and GET WELL SOON is extended.

Fire Department

The Fire Department has received donations from the VFW in Chaska and from the Carver Lions Club. These donations will be used for the purchase of air packs. Other donations are being sought also. The air packs are demonstrators and are approximately half the cost of new ones. Motion was passed authorizing purchase of air packs by the Fire Depart-ment with donated and budgeted funds.

The council discussed with the Fire Department personnel present at the meeting regarding the proposed alcohol policy. Research has been conducted on other department's policies. Chanhassen Department is the only one throughout the county who does not allow any alcohol at all in their station. Unwritten policies followed by firefighters should possibly be written down. A policy would be presented to the council.

Fire Station Proposal

Proposed fire station construction history was relayed by the Administrator. Several ideas have been discussed. Options were also talked about. It was stated that a Public Works Building for equipment could be constructed for approximately $80,000. The Fire Chief explained that a Station more centrally located could possibly lower the fire insurance rates. Discussion pursued on building a fire station or a public works building. Motion was made and carried to work on a print for a fire station with costs included. The firemen would like to meet with the city engineer to discuss this issue.

Municipal Utilities

Municipal Utilities Operator recommended cleaning of the water tower exterior. The cost was estimated to be about $3,000. Motion was made and carried authorizing that this work be done. The work to be done was estimated to take approximately two to five years.

Street Light Improvements

The council was presented with information pertaining to updating the city street lights. The system proposed by NSP consisted of the installation of 14 high performance Acorn fixtures on 15-foot designer green fluted fiberglass poles. There were two options available for installation and the cost depended on the method used. There is a lease or purchase option. NSP recommended purchase. The council discussed payment for this type of project. Tax Increment Financing funds were an option. Another option was to assess property owners. There is also a possibility of the county paying for a portion of the cost. Sidewalk repairs needed was also taken up.

Other uses for Tax Increment Finance funds were reviewed. These funds could be utilized for the infrastructure of an industrial park. The engineer presented cost estimates for street and utility improvements for an industrial park. There was also discussion of cost to construct municipal utilities in an industrial park.

The street light project issue would also have to be presented to the Heritage Preservation Commission for reviewal. There was talk about which project possessed a higher priority. Payment for street light project needed to be defined more clearly. Council was reminded that if the project were to be assessed a Public Hearing would be necessary. Motion was made and carried to have the Heritage Preservation Commission review the issue and submit their recommendations.

City Parks

Discussion was held by the council regarding the possible adoption of an ordinance establishing hours, as well as rules pertaining to the use of city parks. A problem has arisen with people congregating in the parks at night, as well as some people camping in the parks. Motion was made and carried to have the Park and Recreation Board discuss this issue.

Carver Bluffs

The council discussed the issue of Carver Bluffs trail. The administrator explained the issue of a proposed bituminous trail in the Carver Bluffs development. There is a question as to whom is responsible for paying for this type of a trail along the Carver Bluffs Parkway.

Tentative Agenda

Monday Evening 6:30 PM
July 17th 2000

1) *Call to Order*
2) *Approve Agenda*
3) *Approve Consent Agenda*
4) *Petitions from Residents*
5) *Public Works Report*
6) *Engineering Report*
7) *Municipal Utilities Report*
8) *Administrator Report*
9) *Other Business*
10) *Adjourn*

DISCLAIMER

Preliminary minutes of the City Council meetings are referenced to compose the "Villager Tower".

YellowStone Raccoons

The Yellowstone Raccoons did not have a meeting in June. Their July meeting will be at the home of Kenzie Stover on July 18th at 6:30 PM. Members will be coming to this meeting with project ideas for the Carver County Fair beginning the second week in August and running through Sunday, August 13th in Waconia. The 4-Her's will be turning in their entries on August 8th. Support the group at the fair since the Yellowstone Raccoons will be working in the 4-H Food Booth on Sunday the thirteenth. Good luck to the members on all their entries this year!

DISCLAIMER

Preliminary minutes of the City Council meetings are referenced to compose the "Villager Tower".

Carver Lions

The Carver Lions Club held their election. The following are the new officers:

President - Doug Dauwalter
1st Vice President – Cheryl Peterson
2nd Vice President - John Posselt
3rd Vice President - Marvin Grimm
Secretary - Cheryl Peterson
Treasurer - Ben Lano

Congratulations to the new officers.

The Lions are conducting major improvements on the Lions Park. The first project completed in spring was the new paint on the pavilion. Scheduled for late summer/early fall will be new blacktop on the parking lot. There will also be landscaping done at the park, as well as new fencing. Thanks to the Lions!

The Lions provided funds for two rescue air packs for our Carver Fire Department.

The City Hall project is being discussed by a group of Lions committee and the Heritage Preservation Commission. At present they are all reviewing different ideas and plans for the facade of the Village Hall.

REMINDERS:

Eyeglasses can still be deposited at the Carver Depot.

New members are always welcomed and needed. The Lions meet the first and third Wednesday of each month at the Village Hall. Come join them.

SteamBoat Days

Reminder: Steamboat Days is fast approaching. The dates set are for September 8th, 9th and 10th. Mark your calendars. Hopefully we will get a "*Villager Tower*" August issue put to press, but due to time conflicts, this may not be possible. So remember to ask questions and watch for posters!

Carver Community Youth Softball/Baseball Association

The Carver Community Youth Softball/ Baseball Association sponsored fourteen Youth Teams this year (2000). They would like to thank the Carver Lions for their support once again this year.

Currently the 18 year old and under team, the Senior Babe Ruth and the two Junior Babe Rush team are playing and progressing very well. Teams 18 year old and under team will start play-offs the week of July 24th. The three Babe Ruth teams will have their play-offs July 22nd and July 23rd.

The 12 year old and under Twins had a very good season and took Consolation Championship this past weekend (July 8th and 9th) at their tournaments at Lake Ann in Chanhassen.

The 12 year old and under Cardinals had an undefeated season and took the Championship this past weekend (July 9th) also at Lake Ann.

The two 10 year old and under team have also been progressing very will and will have their year end tournament, Saturday, July 15th.

The 8 year old and under Boys Team completed their season with a 500 average.

The girls fourteen years old and under team with 12 year olds and under team had a 500 season and did not fair quite as well at their year end tournament Which was held July 8th and 9th at Pioneer Fields in Chaska.

The 10 year old and under Girls Team had a great season and took 2nd Place in the tournament held at Pioneer Fields July 8th and 9th.

Also to keep the youth program going, there was two T-Ball teams that played in the month of June at the East Union School.

Watch for new batting cages at the Community Fields in Carver.

The 12 year olds and under Cardinals baseball team is planning a 'CAR WASH' FundRaiser in memory of their teammate, Brian Worm on Saturday, August 5th at the Carver Depot from 9 AM to Noon. Cost is $5.00 per vehicle and proceeds will go towards a 'Commemorative Bench' which will be located at the Carver Community Fields with a plaque stating: "In Memory of Brian Worm".

Please be sure to mark your calendars to have your car washed in support of this great gesture. REMEMBER, August 5th, 9 AM – Noon, Carver Depot, CAR WASH!

REMINDER: STEAMBOAT DAYS!

SteamBoat Days will be kicking off September 8th, 9th and 10th. The Food Tent is in need of the volunteering from youths and their families to work and serve food. You will be notified with dates and times.

THANKS to all the coaches, coordinators, parents, players and fans for making this a great season and representing the Community of Carver.

- Jane Thon and Debbie Kerber -

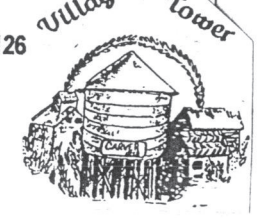

I believe that imagination is stronger than knowledge.
That myth is more potent than history.
That dreams are more powerful than facts.
That hope always triumphs over experience.
That laughter is the only cure for grief.
And I believe that Love is stronger than death.
- Robert Fulgham

ANNOUNCEMENT

Paul and Yvonna had their baby! Marie Rose Schultz greeted her proud parents and older brother, Ryan on Wednesday, July 12th, 2000 at 2:22 PM. The little lady weighed in at 8 lbs 12 ozs in Ridgeview Medical Center in Waconia, MN.

Obviously the entire family is just as excited since no one could be found to comprise this announcement. Grandpa Dwight must have been watching Ryan. Uncle Scott and Aunt Patti were quick to peak at their new niece. Grandma Sandra has to be proud. And then there Great Grandma Merva Schultz, along with husband Andy.

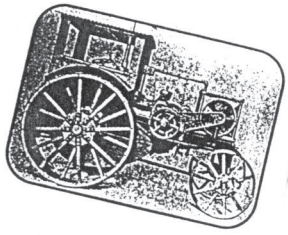

Congratulations!

37th Old-Time Harvest Steam & Gas Engine Festival August 4,5,6 2000

Scott Carver Threshers Old Time Harvest Festival

Looking for something different to experience? Know what a Thresher's Harvest is? If you haven't been to a Threshing Show, here's your chance.The gates open daily at 8 AM starting August 4th, Friday, continuing to Saturday, August 5th and winding down on Sunday August 6th, 2000. If you are really eager to share in a tiny part of the past, you can also partake in the Threshermen's Pancake/ Sausage Breakfast. You'll never experience anything similar anywhere else.

These individuals all share a small corner of the past with anyone interested. No matter where on the grounds you turn, there is something different to see and learn. Stuff you don't see just anywhere.

Ever seen a quilt being sewn? You can watch the circle of ladies doing such by hand. Do you know or have you ever seen a spinning wheel? Here is your chance to not only see the device, but to watch the product created right before your eyes.

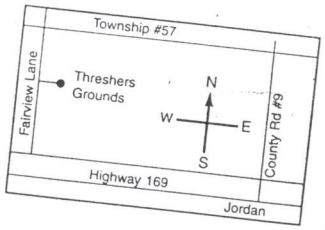

Heard grandparents speak about the one room school house? How they walked to school? The Jordan ShowGrounds have a one room school house.There are crafts, homemade jellies, antiques, toys, tool & some-thing for everyone. Don't miss this opportunity!

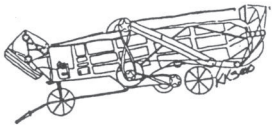

This year the threshers are featuring Oliver and Hart-Par tractors. Don't know what that is? Then come and see! And of course, you will also see many, many varieties of antique tractors. Some orange, some green, some red, some gray. if you don't know what makes these are, then you must make a point to come and share in the fun. All these colors participate in the daily parade, along with giant steam engines, heavy equipment and machinery attachments.

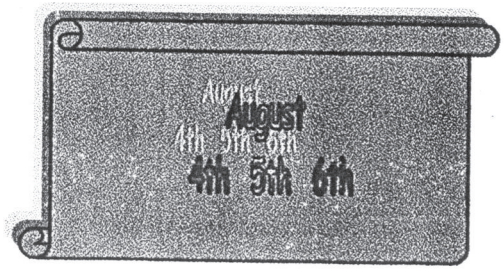

This is an annual event you just can't afford to miss! Remember 8 AM daily, August 4th, 5th and 6th in Jordan, MN off of Highway #169, directions clearly marked west of Jordan. Need directions, call (952) 492-2062.

Look forward to meeting and seeing each and every reader of this advertisement. Happy Festival to ya'll.
