VOLUME XVIII
NUMBER # ONE HUNDRED SEVENTY FIVE
NOVEMBER/DECEMBER 2000

SKATING RINK

The council discussed the possibility of an ice skating rink at the Community Park. They are also checking into a warming house for the rink.

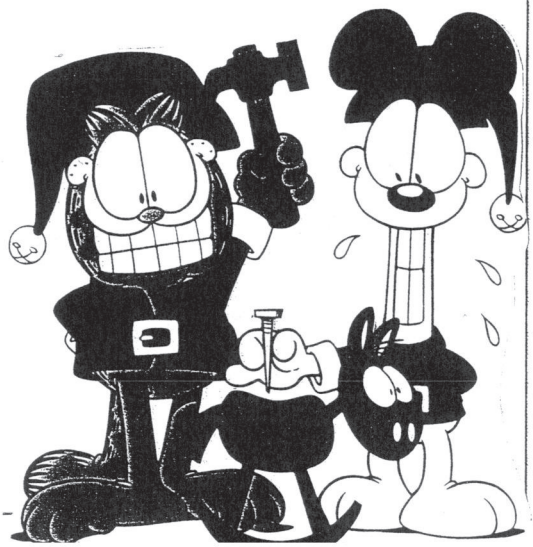

PARKS AND RECREATION BOARD

The Parks and Recreation Board inquired about funds that were available. Installation of sprinklers in the athletic fields is their goal. Grant fund for Carver Bluffs was talked about. The administrator had the impression that the grant fund would be received soon by the city.

The council was told that the Park and Recreation Board would like to raise the fence in the Community Park with poles and nets. The cost was discussed. Carver Bluffs improvements was discussed, as well. It was the decision of the Board that the cost was too high and the order for poles and netting had been cancelled.

BRIAN WORM MEMORIAL BENCH

The Brian Worm Memorial Bench will be put at the Community Park. The council reaffirmed that the memorial bench was going to be placed at the Community Park.

CHURCH BY THE RIVER

The Minnesota Historical Society reviewed grant applications. There is a very good chance that the city could receive matching grant funds for the renovation of the Church By The River (formerly as the Presbyterian Church).

MISCELLANEOUS

Gary's Place has been sold. The previous owner inquired about a refund on the purchase of liquor license since the business was sold. The State Statutes and the City Code do not allow for a refund on this license.

Motion was made and carried by roll call vote to adopt the resolution to continue participate in the Local Housing Incentives Account Program under the Metropolitan Livable Communities Act.

The council further discussed the 2001 Budget. Projected excess revenues were allocated to needed areas within the city. Funds were allocated by motion toward a new Fire Station by motion.

PERSONNEL EVALUATIONS

The administrator informed the council that he had contacted the League of MN Cities. Mr Ness from the league would conduct a job evaluation and pay structure update for the city. An analysis on health insurance benefits would also be inquired about and possibly reviewed, as well, for a fee. A council member was of the opinion that the job descriptions should be updated annually.

PUBLIC WORKS

Quotes obtained for storage space rental for some of the city's equipment was reviewed by the council. The administrator suggested acceptance of the lowest quote received. Motion was made and carried to rent space for five months for the city's equipment.

FIRE DEPARTMENT

The Fire Chief informed the council that there had been twenty four calls during the month of October. This is a record number for one month. There had been a lot of grass fires.

The Fire Department also questioned the next phase to be pursued since the referendum for a new fire station failed. Question was posed if the council wanted to hold a special election or wait two years for the general election to go another route pertaining to the issue. Suggestion was submitted that the department, staff and the council meet to discuss their alternatives. A January meeting was scheduled to conduct this meeting.

MUNICIPAL UTILITIES

A meeting had been held regarding the purchase of property for a second well to be constructed. The property owner stated relayed that there were plans to develop in the future. Negotiations will continue. The council will continue to be updated on the progress.

SUNDAY LIQUOR

The mayor inquired about the Sunday Liquor issue, which had passed during the election. The council has to review the ordinance. The city attorney has been drafting the ordinance, the council was told. The discussion will be held in the near future.

ELECTION RESULTS

CONGRATULATIONS TO THE INCOMING CITY OFFICIALS:

MAYOR: JAMES WYEGAND
(TWO YEAR TERM)

COUNCIL:

MICHAEL WEBB
(FOUR YEAR TERM)

ROBERT LENZEN
(FOUR YEAR TERM)

WAYNE VOELKER
(TWO YEAR TERM)

SUNDAY LIQUOR WAS PASSED BY THE CITIZENS OF CARVER.

THE CONSTRUCTION OF A NEW FIRE HALL FAILED TO PASS.

CONGRATULATIONS!

SCOTT CARVER THRESHERS HISTORY

The Scott Carver Threshers Association is researching material to have a history book printed about the organization. This book will be available to the public.

Anyone with information to share is asked to contact Ricki Schultz at 14210 County Road #40, Carver MN 55315.

I am looking for stories about Mr Wm Olander, Nellie Olander and Carl Olander in relation to the threshing shows in the 60's and 70's. The association is also seeking a souvenir button from the year 1965. Other items being sought are posters from the 5th show to the tenth show. These years would be 1968 through 1973. The 12th show is the other missing poster for the year 1975.

Stories, people and photos are also needed. I know that there are many people in the area who are familiar with this annual event and interested in preserving history. Please come forward.

Thank you.

YELLOWSTONE RACCOONS

Submitted by: NORMA TIMMERS

The Yellowstone Raccoons held their October meeting in the home of Lauren Stelten and their November meeting in the home of members Kenzie and Pat Stover. The club had many new members at both meetings and conducted much business and many activities.

Election of Officers took place and those results were as follows:

President - Julia Timmons
Vice President - Megan Siegle
Treasurer - Tad Thon
Secretary - Kenzie Stover
Historian - Megan Dauwalter

The members brought costumes to the October meeting, and plans for the Share the Fun Contest were begun. The purpose of the costumes was to help determine the roles the members would like to fill in the play that will be drafted at a future date.

At the close of the October meeting, the members decorated place mats for Talheim and donated decorations for the entry of that complex. Both items were delivered by the leaders and appreciated by the residents of Talheim.

The November meeting contained an update on the Share the fun skit, the collection of entry forms, and an update on the vest project. Sue Mills brought a sample vest for the members to see and they voted unanimously to make the vests at their February meeting. The group will cut out the pieces at the January meeting. Logos are being checked into.

The group has grown large for meeting in homes, so the possibility of finding a permanent meeting site was discussed and is being checked into.

The group decided to hold the December meeting at the home of Tad Thon. They planned sliding, a gift exchange, hot chocolate and pizza.

The November meeting closed with project activities arranged by the Stovers. Members made embossed cards, votive candle holders and candy holders.

BLACK SOX

The Black Sox are looking for players to play on their team. It's fun and more fun. (Don't tell anyone, but there probably is some work involved too.) If you are interested in joining or learning more about the Black Sox, contact Rich at 952) 448-4152.

CARVER YOUTH SOFTBALL /BASEBALL ASSOCIATION

Watch for upcoming updates in future issues.
Nothing to report at this time.
However, the Association would like to extend their HOLIDAY WISHES to everyone.

CARVER LIONS

The Christmas Party for the Lions members is coming up. The members will be celebrating on December 19th.

Member, last year we told you about the Lions donating Xmas lights for the City of Carver for your viewing pleasure. Obviously, you can see them now. Aren't they fantastic? Thanks Lions.

Plans are also in motion for the Bull Head Feed in Spring. Watch for dates and information.

Each and every Lions member would like to tell everyone HAPPY HOLIDAYS>

DISCLAIMER

Preliminary minutes of the City Council meetings are referenced to compose the "Villager Tower".

'TREATS AND NO TRICKS"

And who said that kids aren't the most creative bundles of energies? Have I got a tale for you.

Four young ladies came up with the most brilliant artistic scheme I've heard in years.

Karen, Laura, Brianna and Heather all wanted to go "Trick or Treating" for Halloween. But since there are age perimeters, These young ladies were not allowed that kid phenomenon.

Their innovative ingenious calculating, they devised a means to participate in the Halloween activities. The four girls donned their costumes, trekking house to house. Two girls covered one neighbor-hood while the other two campused an-other area. The girls are local, by the way. They deserve recognition for their brilliancy. Instead of asking for some-thing for themselves, they collected non-perishable food items for the food shelf. BRAVO!

They collected quite a bit of food I'm told. I can only imagine the surprise on the recipients part not to have heard "TRICK OR TREAT",

The food that Karen, Laura, Heather and Brianna collected was given to CAP in Shakopee.

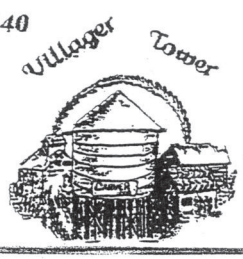

This wonderful giving of four young ladies deserved sharing and recognition.
One can only imagine what other good deeds these four will dream up in the future. I hope you all feel as proud of yourselves as I am of you. CONGRATULATIONS GIRLS ON YOUR INNOVATIVNESS! KEEP UP THE GOOD WORK!
